SECOND READING

[O-242-24](#) Repealing Toledo Municipal Code Section 929.03; enacting a new Toledo Municipal Code Section 929.03 to establish new monthly billing for the sewer rates; repealing Toledo Municipal Code Section 929.04(b)(4).

Body: SUMMARY & BACKGROUND:
Ordinance 337-14 established sewer rates for a period of four years 2015 to 2020 with the last increase effective on January 1, 2020. Ordinance 36-20 established monthly sewer rates for all rate payers. This Ordinance establishes competitive rates for sanitary sewer services for the years 2024 through 2029 that will cover existing and future debt service incurred to fund the cost of sewer infrastructure

improvement projects, and provide sufficient funds for the sewer distribution system and for the proper operation and maintenance of the water reclamation plant as approved by the voters. The Senior/Homestead discount of 25% will be on volume charges only, as well as adding a Senior Low-Income discount of 40% on volume charges only, and adding a Low-Income discount of 25% on volume charges only which greatly benefits those who qualify. Ordinance 30-06 established the sewer winter average volume charge that is being repealed.

NEW ITEMS FROM COUNCIL

[TMP-10217](#)

Authorizing the expenditure of \$16,369.00 from the General Fund to pay the National League of Cities (NLC) 2024 membership dues; and declaring an emergency.

Body:

SUMMARY & BACKGROUND:

The National League of Cities (NLC) is an organization comprised of city leaders that are focused on improving the quality of life for their current and future constituents. Their mission is to relentlessly advocate for, and project the interests of cities, by influencing federal policy, strengthening local leadership and driving innovative solutions. The 2024 City Council Budget has an appropriation for this anticipated expenditure.

Res. - Review of Public Renewable Energy Projects for Federal Funding Opportunities.

Body:

WHEREAS, until recently it was often difficult for municipal governments and other tax-exempt entities to access federal funding for local renewable energy projects because the nature of the federal tax-credit funding; and

WHEREAS, the passage of the 2022 Inflation Reduction Act (IRA)

included a Direct Pay provision that now allows local governments to access federal funding for renewable energy projects and clean energy projects that will cover up to 30% of the cost of the project; and

WHEREAS, there are a wide variety of renewable energy projects that are eligible for federal funding through the federal Direct Pay program including the installation of heat pumps or geothermal systems in public buildings, the addition of solar panels to school buildings, affordable housing, and other municipal buildings, the weatherization of senior centers and affordable housing, an investigation into potential micro-hydro energy systems to utilize in Toledo's streams and rivers, research the environmental benefits of the implementation of traffic roundabouts, and exploration into the possibilities of using new and existing water treatment plants to aid and create bio waste-to-energy facilities or products.

WHEREAS, public renewable energy projects like those enumerated above can save local government and Toledo taxpayers money by reducing energy costs, enhancing air quality, reduce emissions, and improve environmental justice; and

WHEREAS, Federal funding through the IRA's Direct Pay provision is available until 2032 and there is no cap on the amount of federal funding a city can receive through the Direct Pay provision for renewable energy projects; and

WHEREAS, there are a number of federal resources available to help cities prepare renewable energy projects and apply for federal funding through the IRA Direct Pay provision.

Res. - Submitting to the Toledo City Plan Commission a request for a review of the current municipal planning and zoning code as related to the use of solar energy and its components; authorizing a public hearing on any proposed text amendments which may result from the review; publication of said hearing; and declaring an emergency.

Body: SUMMARY & BACKGROUND:

WHEREAS, SolSmart is a national designation and no-cost technical

assistance program designed to help local governments make it faster, easier, and more affordable for residents and businesses to “go solar;” and

WHEREAS, SolSmart National Designations recognize communities taking key steps in addressing local barriers to solar energy in land use, permitting, inspection and zoning processes; and

WHEREAS, the City desires to participate in the SolSmart National Designation program to support local efforts to utilize solar energy; and

WHEREAS, the national designations, which are given in Bronze, Silver, Gold and Platinum tiers, are earned through a point system based upon completion of certain prerequisites by local governments, beginning with a review of the municipal planning, land use and zoning code; and

WHEREAS, to initiate the process for the City of Toledo for a Bronze Designation, SolSmart has done a preliminary analysis of the City’s planning and zoning code to assist the City’s plan commission with its own review.

DEPARTMENT OF FINANCE

[01TMP-10208](#)

Authorizing the expenditure of \$18,352 from the General Fund for the city of Toledo’s 2024 membership dues for the Ohio Municipal League (OML); and declaring an emergency.

Body:

SUMMARY & BACKGROUND:
This ordinance authorizes the expenditure of funds for 2024 membership dues for the Ohio Municipal League. Funds are included in the approved 2024 General Fund budget for this expenditure.

DEPARTMENT OF HOUSING AND COMMUNITY DEVELOPMENT

[02TMP-10202](#)

Amending Ordinance 25-21 Schedule A to allow for expenditure of COVID-19 Community Development Block Grant (CDBG-CV) on additionally eligible uses;

and declaring an emergency.

Body: SUMMARY & BACKGROUND:

Ordinance 25-21 authorized the acceptance, deposit, appropriation and expenditure of \$1,526,505 of CDBG-CV to be used to prevent, prepare for and respond to the coronavirus COVID-19; and, submission of the 2015-2019 Consolidated Plan Substantial Amendment and the 2019-2020 Annual Action Plan Substantial Amendment submittal to HUD on February 5th 2021.

Schedule A of Ordinance 25-21 outlined that CDBG-CV funding will be used to assist homeowners with emergency mortgage assistance who have been impacted by COVID-19, as well as for the administration of the CDBG-CV program. This amendment will expand the use of CDBG-CV funds to provide for acquisition and rehabilitation of facilities including ADA accessibility upgrades, hotel/motel temporary housing assistance, and related supportive services, as outlined in the Amended Schedule A.

The financial impact of this Ordinance is to allow for the expenditure of CDBG-CV funds previously accepted, deposited and appropriated, on additional uses as outlined in the Amended Schedule A.

Authorizing the appropriation and expenditure of \$200,000 from the Local Fiscal Recovery Fund for the City of Toledo Roof Tops Program; authorizing the Mayor to accept bids, award contracts and enter into necessary agreements for said program; and declaring an emergency.

Body: SUMMARY & BACKGROUND:

This Ordinance authorizes the appropriation and expenditure of the remaining \$200,000 of Housing Preservation grant funds programmed in the Toledo Recovery Plan for projects and costs associated with the Toledo Roof Tops Program. To date, the initial \$2,900,000 programmed for the Rooftops Program pursuant to Ordinance 245-22, has supported roof repair and replacements for 179

properties.

The Toledo Roof Tops Program consists of a partnership with Toledo Urban Federal Credit Union, Maumee Valley Habitat for Humanity and the Department of Housing and Community Development to provide financial assistance to eligible households for repair or replacement of approximately seven hundred (700) failing roofs on owner-occupied housing in Qualified Census Tracts (QCT). Roof Tops grants are provided to households with income at or below 60% of the area median selected through a lottery. Households with income at or below 80% of the area median, not selected in the lottery, will have an opportunity to apply for assistance consisting of a 50/50 Low-interest loan/matching grant through the Toledo Urban Federal Credit Union. ARPA Rooftops Funds are leveraged with Community Development Block Grant and loan funds from bank partners. The additional ARPA funds will be allocated pursuant to the attached Schedule A.

To facilitate timely disbursement of construction funding, City of Toledo Department of Housing and Community Development Roof Tops construction funding will be escrowed with title companies, selected through an RFQ process.

MAYOR'S OFFICE OF NEIGHBORHOOD SAFETY & ENGAGEMENT

[05TMP-10204](#)

Authorizing the Mayor to enter into an agreement with the United Way of Greater Toledo (UWGT) to serve as the fiscal and administrative agent for the Healing & Compassion Fund pilot project; authorizing the expenditure of an amount not to exceed \$36,400 from the General Fund; waiving the competitive bidding provisions of TMC Ch.187; and declaring an emergency.

Body: SUMMARY & BACKGROUND:

The Mayor's Office of Neighborhood Safety and Engagement (MONSE) convenes the Community Action Table (CAT), a multidisciplinary team of stakeholders engaged in community violence intervention and prevention work in Toledo. Stakeholders include traditional public safety, communities impacted by violence, survivors, community-based organizations, mental health agencies, funders, health systems, advocacy groups, policy-makers, faith-based organizations, school systems, and youth.

The CAT Victim & Survivor Services working group identified several challenges faced by those impacted by gun violence, including access to basic needs, respite, relocation, home modifications and repairs after violent incidents, and burial costs. The Healing & Compassion Fund will supplement existing resources while helping to mitigate barriers. Current barriers include: fewer than 40% of Ohio Crime Victim Compensation claims were awarded in fiscal year 2023; the number of victims impacted by gun violence outstrips the resources available; victims' compensation is typically reimbursement-based; application processes are typically difficult to navigate and not timely; and applicants can be disqualified for myriad reasons.

This ordinance authorizes the City of Toledo to contract with the United Way of Greater Toledo to serve as the fiscal and administrative agent for the Compassion and Healing Fund pilot at a rate of 4% of all funds received. Services include: (1) receiving, depositing, and acknowledging funds received on behalf of the Compassion and

Healing Fund; (2) ensuring funds are disbursed once authorized fund representatives approve based on an established approval process; (3) fiscal agent accounting controls; (4) quarterly reporting on funds received, expended, and how funds have been utilized; (5) including the Fund in the United Way 211 database to ensure it reaches community.

DEPARTMENT OF LAW

[006TMP-10207](#)

Authorizing the partial settlement of claims brought in Pratt v. City of Toledo; authorizing the expenditure of \$400,000 from the Risk Management Fund; and declaring an emergency.

Body: SUMMARY & BACKGROUND:

The City has reached settlements with 14 of the 16 plaintiffs in a lawsuit captioned *Pratt, et al, v. City of Toledo*, et all, Case No. 3:21-cv-01111 in the U.S. District Court for the Northern District of Ohio, Western Division. In exchange for full releases, the city has agreed to pay \$400,000 total for the plaintiffs listed below. In their lawsuit, the plaintiffs alleged they were injured by Toledo Police officers during civil rights protests on May 30, 2020.

DEPARTMENT OF POLICE OPERATIONS

[08TMP-10179](#)

Authorizing the expenditure from the Ohio Peace Officer Training Commission Grant in an amount not to exceed \$50,000 for upgrading the Toledo Police Academy Information Technology; authorizing the Mayor to accept bids and award contracts; and declaring an emergency.

Body: SUMMARY & BACKGROUND:

The academy is in need of information technology upgrades. These upgrades will include new computers and technology infrastructure.

[09TMP-10180](#)

Authorizing the Mayor to enter into a grant agreement and accept \$24,263.82 from the Office of Criminal Justice Services for an Ohio Drug Law Enforcement Fund Program; authorizing the appropriation and expenditure of said proceeds from the Operation Grants Fund; and declaring an emergency.

Body: SUMMARY & BACKGROUND:

The Toledo Police Department has requested and received \$24,263.82 in Ohio Drug Law Enforcement Fund grant funds from the Ohio Office of Criminal Justice Services to conduct drug investigations. There is a local match of \$8,094.18 required for this grant, which will be for personnel overtime. The grant funds will increase the department's ability to conduct drug enforcement investigations.

DEPARTMENT OF PUBLIC SERVICES

[10TMP-10200](#)

Authorizing the expenditure of an amount not to exceed \$25,100 from the General Fund for the rental of an excavator for demolition operations; authorizing the Mayor to accept bids and enter into necessary contracts for said rental; and declaring an emergency.

Body: SUMMARY & BACKGROUND:

Excavators are used daily by the demolition operations of Urban Beautification. One of the excavators is no longer working and must be replaced. Before the new excavator arrives, the Division will need to rent an excavator to continue demolition operations.

[11TMP-10194](#)

Amending Ord. 160-24 for the purchase of an excavator for the demolition program; and declaring an emergency.

Body: SUMMARY & BACKGROUND:

Ordinance 160-24 authorized the purchase of equipment for Urban

Beautification. Under the Cleaning section, a small bucket truck was listed for purchase, the department would like to change this item to an excavator for our demolition program.

[12TMP-10193](#)

Amending Ord. 393-23 for improvements to streetlights along various streets and public rights-of-way in the City of Toledo; and declaring an emergency.

Body:

SUMMARY & BACKGROUND:

Ord. 393-23 authorized the improvements and installation of additional streetlights throughout the city. As we have been working to address lighting in poorly lit areas of the city, we will need to work with additional contractors for the lights and poles that are not owned by The Toledo Edison Company. Amending Section 2 of Ord. 393-23 will allow us to enter into contracts with additional companies to improve the street lighting.

DEPARTMENT OF TRANSPORTATION

[13TMP-10181](#)

Authorizing the appropriation and expenditure of an amount not to exceed \$2,700,000 from the Local Fiscal Recovery Fund for a water main replacement and sewer installation project; authorizing the Mayor to prepare plans and specifications, acquire needed rights-of-way and easements as necessary, accept bids and enter into contracts; and declaring an emergency.

Body:

SUMMARY & BACKGROUND:

The city has received \$180.9 million through the American Rescue Plan Act (ARPA) to be used to address the public health and negative economic impacts of the COVID-19 pandemic. The Toledo Recovery Plan framework (authorized by Ordinance 530-21), which outlines the city's projects that will be funded through ARPA, includes \$5,200,000 for water and sewer infrastructure replacement and improvement.

Replacement and improvement of water mains and sanitary sewers within qualified census tracts will maintain safe, reliable service that will meet the demands of the City of Toledo's water and sewer distribution systems. This ordinance authorizes \$1,000,000 of this amount for the

New York Avenue water main replacement and \$1,700,000 for the installation of sanitary mains and service lines on Gallier Drive and Giger Drive along with sanitary service lines on Secor Road.

[14TMP-10182](#)

Authorizing the appropriation and expenditure of \$3,000,000 from the Tax Roadway Improvement Fund for the 2024 General Resurfacing Program; authorizing the Mayor to prepare plans and specifications, acquire required rights-of-way as appropriate, utilize professional services necessary for planning, design, project management, and construction inspection, and enter into contracts for these projects within the Division of Engineering and Construction Management; and declaring an emergency.

Body: SUMMARY & BACKGROUND:

This extra funding is available due to cost savings from previous residential construction years and due to higher-than-expected tax revenues. This item is for projects that utilize 100% City of Toledo capital funds to rebuild or resurface primarily local residential streets.

Ord. 12-24 authorized the appropriation of \$27 million for the 2024 General Resurfacing program. The Division of Engineering and Construction Management is requesting the appropriation of an additional \$3 million from the Tax Roadway Improvement Fund bringing the 2024 program to \$30 million in total.

Appropriation of these funds now will allow for timely bidding and construction to ensure all projects are completed this year.

DEPARTMENT OF PUBLIC UTILITIES

[15TMP-10132](#)

Authorizing the appropriation and expenditure in an amount not to exceed \$1,000,000 from the Sewer Replacement Fund for the purchase and installation of draft tube mixers at the Bay View Water Reclamation Plant; waiving the competitive procurement provisions of TMC Chapter 187 for this purchase; authorizing

the Mayor to accept bids and award contracts for the installation of draft tube mixers; and declaring an emergency.

Body: SUMMARY & BACKGROUND:

Ovivo USA, LLC (Ovivo), is the original equipment manufacturer of draft tube mixers installed in the anaerobic digester tanks at the Bay View Water Reclamation Plant. These mixers are used to mix stored sludge to facilitate biological activity to break down thickened sludge for the sustainable purpose of reducing the volume of sludge while converting volatile solids to biogas, a renewable source of energy. The Division of Water Reclamation is seeking a contract with Ovivo in an amount not to exceed \$750,000 for the purchase of new draft tube mixers and associated equipment, and a contract with a construction contractor in an amount not to exceed \$250,000 for the installation, testing and commissioning of these draft tube mixers. Funds are available in the Sanitary Sewer Replacement Fund.

[16TMP-10141](#)

Authorizing the appropriation and expenditure of \$325,000 from the Sewer Replacement Fund for emergency replacement of a roll off truck to service the Bay View Water Reclamation Plant; authorizing the Mayor to enter into a contract with the Jack Doheny Company; waiving the competitive provisions of TMC Chapter 187; and declaring an emergency.

Body: SUMMARY & BACKGROUND:

The Division of Water Reclamation has multiple processes which separate detritus and debris from incoming sewage and collect it in roll off containers. On January 23, 2024 the one reliable roll off truck used to haul the containers caught fire and was destroyed. The one remaining unreliable truck is insufficient to service the plant. Water Reclamation negotiated with Jack Doheny Company for purchase of a used vehicle suitable for service.

[17TMP-10210](#)

Authorizing the mayor to enter into a contract for the configuration and installation of necessary information technology and security components; authorizing the appropriation and expenditure of up to \$325,000 from the Water Replacement Fund; waiving the competitive bidding requirements of TMC Chapter 187; and

declaring an emergency**Body:** SUMMARY & BACKGROUND:

The Department of Public Utilities needs to procure services to purchase, configure, and install necessary information technology network and security components. The firm that will be used is already familiar with systems and has available all necessary hardware and applications required. This Ordinance authorizes the appropriation and expenditure from the Water Replacement Fund.

[18TMP-10196](#)

Authorizing the appropriation and expenditure of an amount not to exceed 214,230 from the unappropriated balances of multiple water and sewer funds, and operating transfer of the same for software for the design and construction of water mains, as well as operating expenses; and declaring an emergency.

Body: SUMMARY & BACKGROUND:

The Engineering and Construction Management Division is partially funded by the Water Operating and Sewer Operating funds to support the design and construction of water mains and sanitary sewer lines throughout the City of Toledo. The division had awarded contracts authorized through Ord. 477-20 and Ord. 278-23 using funds that were approved and available in their 2023 operating budget. The contracts were not able to be completed as planned before the end of 2023 and thus not included in the 2024 operating budget. This ordinance will provide the budget necessary to complete the contracts.

[19TMP-10197](#)

Authorizing the Mayor to accept bids and award contracts for the Hydrant Replacement Program; authorizing the appropriation and expenditure in an amount not to exceed \$300,000 from the Water Replacement Fund; and declaring an emergency.

Body: SUMMARY & BACKGROUND:

The City of Toledo has initiated a systematic, annual anti-tampering hydrant replacement program to replace old hydrants. It is the intent of this ordinance to authorize the appropriation and expenditure of an amount not to exceed \$300,000 from the Water Replacement Fund for the purchase of hydrants, hydrant valves and other related materials.

[20TMP-10199](#)

Authorizing the additional appropriation and expenditure of an amount not to exceed \$30,000 from the Water Replacement Fund for the purchase of a meter test bench; authorizing the Mayor to accept bids and award contracts for said purchase; and declaring an emergency.

Body: SUMMARY & BACKGROUND:

In December 2023, Ordinance 644-23 was passed for the appropriation and expenditure of no more than \$130,000 from the Water Replacement Fund for the purchase of a meter test bench. Due to price increases, additional funding is needed. This Ordinance authorizes the appropriation and expenditure of up to an additional \$30,000 from the Water Replacement Fund for the purchase of a meter test bench for the Meter Shop at the Division of Water Distribution. Residential, commercial and industrial water meters can become faulty and inaccurate. Water Distribution has a test bench that can test meters for accuracy, but it is over 30 years old. A new bench is needed for its ability to test larger capacity meters and more meters at a time. Also, the new automated testing bench will cut down testing time as the current bench requires manual testing.

DEPARTMENT OF HUMAN RESOURCES

[21TMP-10203](#)

Authorizing an expenditure not to exceed \$32,000 from the General Fund (Employee Engagement Committee) for the provision of an employee engagement activity with the Toledo Mud Hens Baseball Club, Inc; and declaring an emergency.

Body: SUMMARY & BACKGROUND:

The Employee Engagement Committee (EEC) is composed of City of Toledo employees representing multiple departments and divisions throughout the City that meet on a monthly basis to discuss work culture and ideas for employee engagement. A major goal of the Committee is to present city-wide employee appreciation events throughout the year. One such event is an annual Mud Hens Employee Night. The EEC respectfully requests up to \$32,000 for the 2024 Mud Hens Employee Night event on July 26, 2024. The requested amount will provide 1,200 home terrace tickets, a 2-hour buffet, an announcement of the event, and entry in a raffle for free Mud Hens

apparel. The Department of Human Resources and the Office of the Mayor supports this initiative and the EEC's commitment to employee appreciation.

DEPARTMENT OF DEVELOPMENT

[22TMP-10187](#)

Authorizing the Mayor to enter into an amended Eugene F. Kranz Toledo Express Airport Joint Economic Development District ("JEDD") contract with the Board of Trustees of Swanton Township, Lucas County, Ohio, and Monclova Township, Lucas County, Ohio, for the purpose of expanding the JEDD territory; making certain findings with respect thereto; and declaring an emergency.

Body:

SUMMARY & BACKGROUND:

Pursuant to the authority of Ordinance 539-14 passed on December 2, 2014, the City entered into a JEDD Contract with Swanton Township, Lucas County, Ohio, and Monclova Township, Lucas County, Ohio, to create a JEDD located on 704 acres of property in the immediate vicinity of the Eugene F. Kranz Toledo Express Airport. The purpose of this economic development district is to facilitate economic growth and development within the territory. Pursuant to the authority of Ordinance 426-21 passed on August 17, 2021, the City entered into an amended the JEDD Contract for purposes of adding properties to the territory.

Petitions have been recently submitted to the Joint Economic Development District Board requesting to include the below 9 parcels of undeveloped land to the district territory:

1. 38-51207 located at 3455 Strayer Road, Monclova Township, Ohio
2. 72-01662 located at 11490 Airport Highway, Swanton Township, Ohio
3. 72-01663 located at 11480 Airport Highway, Swanton Township, Ohio
4. 72-01634 located at 11701 Tailwinds Drive, Swanton Township, Ohio
5. 72-01625 located at 2525 Aviation Drive, Swanton

- Township, Ohio
6. 72-01626 located at 2251 Aviation Drive, Swanton Township, Ohio
 7. 72-01627 located at 11235 Crosswinds Drive, Swanton Township, Ohio
 8. 72-01628 located at 11201 Crosswinds Drive, Swanton Township, Ohio
 9. 72-00871 located at 11310 Airport Highway, Swanton Township, Ohio

Granting the petition and including the subject properties into the expanded district territory requires the amendment to the district contract accordingly. A public hearing sponsored by Toledo City Council was held on June 5, 2024, where public comment was received with respect to the proposed amendment. It is the Joint Economic Development District Board's belief that amending the contract to include the additional acreage will create and preserve jobs and employment opportunities, and will improve the economic welfare of the people in the state and in the area of the contracting parties.
