STAFF ANALYSIS

The Applicant is requesting a zone change from RS-6 Single-Dwelling Residential and CO Office Commercial to RM36 Multi-Dwelling Residential. The subject property consists of ±2.0026 acres. The site is currently vacant. To the north of the site is the Northwest Ohio Area Office on Aging offices, and to the south is the Sight Center of Northwest Ohio. To the west of the site and Detroit Avenue is the Northwest Ohio Psychiatric Hospital. To the east of the site and Garden

STAFF ANALYSIS (cont'd)

Lake Parkway is the Margaret Hunt Senior Center, Advanced Healthcare Center and Advanced Specialty Hospitals.

The subject property is part of a larger development initiated in 1982 by the Lucas County Board of Commissioners to construct a general geriatric campus. A Special Use Permit was granted by Ord No. 708-82 for a campus grouping of services and programs oriented to the elderly including institutional, senior center, nursing/patient care services and housing. The campus is known as the Lakewoods Campus and has since been developed with different types of housing and services for the elderly. The Applicant is requesting the rezoning to construct multi-family senior housing on the subject property. An associated Special Use Permit and Major Site Plan Review are also being requested for this development in companion cases SUP-11010-23 and SPR-45-23. For development to move forward, a lot split was administratively approved that split Lot 2 of Golden Achers into two parcels. One containing 2.0026 acres (southern portion of Lot 2) upon which the proposed senior housing will be built, and the other containing 2.3491 acres (northern portion of Lot 2) upon which the offices of the Area Office on Aging are situated. The Applicant is requesting the proposed zone change for the 2.0026 acre lot to RM36 Multi-Dwelling Residential to allow for the development of up to 68 unit senior affordable housing community. Per the Use Table in TMC§1104.0100, multi-dwelling structures are a permitted use in the RM36 Zoning District.

Toledo 20/20 Comprehensive Plan

The Toledo 20/20 Comprehensive Plan targets the site for institutional campus. The Institutional Campus District is meant to accommodate large institutional uses in campus like settings and is intended to promote and enhance the development and expansion of medical, educational and other large institutional uses. In this case the Lucas County Board of Commissioners identified the area as a general geriatric campus. The proposed rezoning is consistent with this designation as the proposed RM36 Multi-Dwelling Residential Zoning District will allow for the construction of the proposed multi-family housing units for seniors.

Staff recommends approval of the Zone Change from RS6 Single-Dwelling Residential and CO Office Commercial to RM36 Multi-Dwelling Residential because the proposed development is a permitted use in the RM36 Zoning District, which will allow for the development of housing to serve seniors, as the area was intended. In addition, the proposed development is compatible with the existing land uses in the general vicinity.
