Note: The total ordinance amount for the 2022 Residential Resurfacing Program appropriates \$21M, which includes cost savings from the 2021 Program (returned to fund balance) as well as the 2022 budget amount for the 1/4% road tax. The Anticipated 2022 Project List includes projects originally being considered for future programs that can be designed and constructed in 2022 utilizing the 2021 cost savings incorporated into the legislation, provided bid costs for both the planned 2022 projects and the anticipated 2022 projects allow for award of the additional anticipated projects.
