

## **DPS 2020 SBH Matches and Planning \$600,000**

**March 24, 2020**

- A total of \$600,000 is needed for planning, environmental testing, right-of-way, design, and construction of City of Toledo owned bridges
- The City of Toledo fully or partially owns over 300 bridges within the City of Toledo
- We will be bidding for construction for Marengo over Ravine in 2020 (ODOT LPA project) once all overhead utilities are relocated and Stage 3 plans are approved
- We will be continuing final design and environmental testing on Secor over Ottawa
