

The 5 I's of Disability Justice

TOLEDO / LUCAS COUNTY
COMMISSION ON DISABILITIES

*Creating an Accessible Toledo and Lucas County
for All Who Live with Disabilities*

■ The 5 I's of ■ Disability Justice

The “5 I's of Disability Justice” is a policy framework built on foundational values to which self-advocates and activists within the disability movement have dedicated themselves for the latter half of the 20th century.

Involvement, Independence, Inclusion and Implementation, and Intersectionality make up this framework. When used by the policy maker, the 5 I's framework ensures the creation of truly disability friendly public policy.

The 5 I's of Disability Justice

INVOLVEMENT

Were people with disabilities involved in the formulation of this policy prior to its first presentation?

INDEPENDENCE

INCLUSION

IMPLEMENTATION

INTERSECTIONALITY

The 5 I's of Disability Justice
