2025 Revenue

On April 9, HB 29 went into effect which changed the way courts process unpaid fines and costs.

Prior to April 9, the court placed a Vehicle Registration Block on all cases with past due fines and costs. The Vehicle Registration Block prevented a driver from renewing the tags on their vehicles or getting a license plate on a new vehicle.

On April 9, the court removed all Vehicle Registration Blocks. While the Clerk still sends cases to collections, this change in law will impact the amount of revenue collected in the Criminal / Traffic Division.
