**STAFF ANALYSIS**

The requested vacation of Right-of-Way (R.O.W) is located west of Deline Drive, north of Dulton Drive, and east of 5751 Nebraska (parcel #2013705). The applicant wishes to expand his property for personal use and intends to fence in his expanded yard if this request is granted. The subject area is adjacent to the former pathway of the Toledo & Indiana Railroad, which was decommissioned in the early 1900s. Surrounding land uses are exclusively single-family homes.

On June 18, 2024, City Council approved a declaration of intent (*Res.307-24*) to vacate the subject portion of R.O.W. Note that this resolution contains an error in the area description under the "Summary & Background" section, which will be corrected in the forthcoming ordinance if the vacation request is approved.

Toledo 20/20 Comprehensive Plan

The Toledo 20/20 Comprehensive Plan future land use designates this area as Single-family Residential. The proposed vacation conforms with the Toledo 20/20 Comprehensive Plan as the proposed vacation will expand the applicant's residential property. Staff recommends approval of the requested vacation because the proposal conforms to the Toledo 20/20 Comprehensive Plan.

**PLAN COMMISSION RECOMMENDATION**

The Toledo City Plan Commission recommends approval of V-307-24, a request for the vacation of Right-of-Way west of Deline Drive, north of Dulton Drive, and east of 5751 Nebraska, to Toledo City Council for the following two (2) reasons:

1. The proposed Vacation conforms to the Toledo 20/20 Comprehensive Plan.
2. The proposed vacation will not impede access to any neighboring properties.
