Currently

I own and operate Twin Builders, LTD, a remodeling contracting company servicing NW Ohio, and am a licensed HRC in the City of Toledo. My company focuses on residential remodeling with an emphasis on quality craftsmanship and ethical practices. My company currently has 6 employees who handle all of our production carpentry in-house, ensuring a high level of quality and integrity.

Certifications

OSHA Certified Lead Safe Certified Wedi Certified

Philanthropy

For the past 5 years, I try to involve my company in at least 1 charitable remodeling project per year that benefits people or organizations in need in our community.
