Dear Members of Toledo City Council:

Please find attached a copy of a new ordinance Dr. Cecilia Adams intends to introduce at today's City Council meeting. It is the product of several weeks of thoughtful collaboration between members of City Council and my administration. Most importantly, it achieves the goals we all share to create an environment in which Toledo's children have access to the resources they need to live happy and healthy lives.

I am proud to support this ordinance, and I look forward to signing it as soon as Council passes it. Having earlier provided the written request required by Section 102 of the Charter, I am prepared to implement this ordinance once it has been formally approved.

Thank you.
