

DPS 2019 CIP Cemeteries Vault Lowering Device \$25,000
October 1, 2019

- Cemetery operations requires the purchase of a Vault Lower Device at an expense of up to \$25,000
- This purchase is deemed necessary by Safety and Training personnel within the Department of Public Service to protect our workers against the possibility of severe injury or death
- Vault handling equipment of this nature have become the industry standard nationwide for cemetery operations
