RE: Support for Closure and Removal of Summit Street Pedestrian Bridge

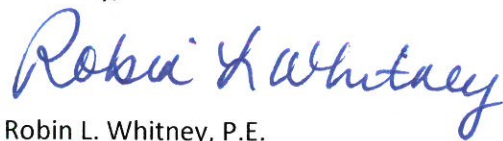

Toledo City Council:

Please accept this letter of support for the City's request to close and remove the pedestrian bridge over Summit Street connecting 3 Seagate to 300 Madison. We understand this action is necessary in order to facilitate the \$10 million reconstruction of Summit Street from Lafayette to Jefferson.

As the owners of real property that will be directly impacted by the closure and removal of the pedestrian bridges, we believe it's important to express our support for the project.

We sincerely appreciate your support and continued efforts to enhance Downtown Toledo.

Sincerely,

Robin L. Whitney, P.E.
