

CONSENT ODOT BRIDGE OVER HELDMAN DITCH

Bullet Points

- ODOT is replacing a bridge over Heldman Ditch on Reynolds Road.
- ODOT is responsible for the maintenance of the bridge since Reynolds Road is a State Route (US 20).
- This ordinance will allow ODOT to replace the bridge and allow them to purchase rights-of-way in the city's name for the project.
- This project will not require any city funding.
- Construction is scheduled to begin in the Spring of 2022.
