

District Improvement Program Review Committee

Meeting Minutes – 5/19/2023 at 8:30 a.m. via Zoom

I. Attendees

Voting Members:

- Council President: Matt Cherry
- District Councilmember: Vanice Williams
- Director of Economic Development: Brandon Sehlhorst

Other:

- Director of Parks and Youth Services: Joe Fausnaugh
- Clerk of Council: Gerald Dendinger

II. Applications

a. Bayview Retirees Golf Course Application

Sehlhorst and Fausnaugh provided an overview of the applicant's application. The applicant requested to lease 10 used golf carts or purchase 10 new golf carts. After further review and discussion between Fausnaugh and the applicant, it was determined that acquisition of 10 new golf carts is the best and cheapest long-term solution for the City. The 10 used golf carts would be worthless after expiration of the lease necessitating another lease for golf carts in the future.

Motion: Motion was made by Williams and seconded by Cherry to recommend approval of the Bayview Retiree's Golf Course DIP application to Toledo City Council and authorizing the expenditure of an amount not to exceed \$65,074.20 from District 4's available DIP balance for the acquisition of 10 new golf carts.

Vote:

Yeas: Cherry, Williams, Sehlhorst

Nays: None
