

## **EXHIBIT B**

### **PUBLIC INFRASTRUCTURE IMPROVEMENTS**

The Public Infrastructure Improvements specifically include the costs of financing the Public Infrastructure Improvements, including the items of “costs of permanent improvements” set forth in Ohio Revised Code Section 133.15(B), and incurred with respect to the Public Infrastructure Improvements, which “costs” specifically include any reimbursement payments for the reimbursement of the costs of the Public Infrastructure Improvements and the debt service on, and other expenses relating to the issuance of, any bonds, notes, or other obligations issued to finance the Public Infrastructure Improvements.

The City Council, in the TIF Ordinance, has determined that all of the Public Infrastructure Improvements described below are “public infrastructure improvements” (as defined in Ohio Revised Code Sections 5709.40(A)(8) and are intended to benefit or serve the parcels of each TIF District. Without limiting the generality of the preceding sentence, the Public Infrastructure Improvements specifically may include the following:

1. Constructing, reconstructing, extending, opening, improving, widening, grading, draining, curbing and changing of the lines and traffic patterns of roads, highways, streets, railways, bridges (including roadway, railway, and pedestrian), existing roadways adjacent to and providing ingress and egress to property, sidewalks, bikeways, medians and viaducts, constructing and improving surface parking lots or parking structures and related improvements, providing lighting systems, together with all appurtenances therefore, and the continued maintenance of those improvements.
2. Constructing and reconstructing public fountains, public parks or public greenspaces, including grading, trees, park plantings, park accessories and related improvements, together with all appurtenances thereto.
3. Constructing, reconstructing and installing of public utility improvements, water distribution lines (including necessary site grading therefore), storm and sanitary sewers (including necessary site grading therefore), water and fire protection systems, and all appurtenances thereto, and the continued maintenance of those improvements.
4. Constructing and installing streetscape improvements including trees, tree grates, curbs, sidewalks, street and sidewalk lighting, trash receptacles, benches, newspaper racks, burial of overhead utility lines and related improvements, together with all appurtenances thereto; design and traffic studies preliminary to the foregoing.
5. Constructing and installing communications service facilities, including but not limited to cable and broadband service infrastructure improvements.
6. Stormwater and flood remediation projects including such projects on private property when determined to be necessary for public health, safety, and welfare.

7. Designing, engineering, constructing, and improving the new infrastructure for electric, gas, telephone, and cable service (including fiber optics), including aid to construction fees for gas, aid to construction fees for electric, including the provision of gas or electric service facilities owned by nongovernmental entities when such improvements are determined to be necessary for economic development purposes, with related site improvements and appurtenances thereto.
8. Acquisition and development of property, including acquisition in aid of industry, commerce, distribution, or research, demolition of blighted, dilapidated, or functionally obsolete structures for redevelopment opportunities, including demolition on private property when determined to be necessary for economic development purposes.
9. Enhancement of public waterways through improvements that allow for greater public access.
10. Environmental studies and remediation.
11. Acquiring real estate or interests in real estate, including related right-of ways, necessary to accomplish the improvements enumerated in clauses 1 through 9.
12. Any on-going administrative expenses relating to the Public Infrastructure Improvements and maintaining the service payments in lieu of taxes, including but not limited to engineering, architectural, legal, and other consulting and professional services.
13. All inspection fees and other governmental fees related to the foregoing.
14. Any other costs of public infrastructure improvements as permitted by law.
