

**DPU Goods and Services  
Addendum A - Supplies**

<b>Number</b>	<b>Material Group</b>	<b>Material Group Name</b>
1	2000	Sewer Root Control
2	<b>3100</b>	<b>Boilers and HVAC parts and equipment</b>
3	<b>5500</b>	<b>DPU related mechanical and electrical equipment and accessories for repair, Sanitary and storm pump stations including tunnels and parts and equipment, Rotating equipment parts and equipment</b>
4	<b>12000</b>	<b>Consumable material including gasketing, sealants, packing and lubrication</b>
5	17500	Lab Chemicals, to include: Acetone, Toluene, Fluoride, Polyaluminum Chloride, Polyphosphate, Potassium Permanganate, Sodium Hydroxide
6	19000	Chemicals : Activated Carbon, Iron Salts
7	21000	Manhole frames and lids, pre-stressed concrete repair parts and pre-cast concrete manholes, prestressed structural beams, sewer castings
8	25700	Homeland Security equipment and accessories
9	28000	Electrical power distribution parts and components, including switch gear, transformers, <b>starters, motors, AC and DC drives including VFDs, Communication devices parts and equipment etc.</b>
10	28500	Electrical parts, supplies, and accessories
11	28700	Power supplies, batteries, electrical racks, sensors, testing equipment, etc.
12	<b>32000</b>	<b>Hardware including anchors, nuts, bolts, screws, washers</b>
13	34000	Fire detection and suppression system parts, all types
14	34500	First Aid, Personal protective equipment (gloves, goggles, face shield, apron, etc.)
15	43000	Gases: Calibration, Laboratory and Wastewater Process Control
16	46000	Suction hoses, discharge hoses, and <b>fittings</b>
17	49000	General Laboratory research supplies to include: Ozone Analyzer, Laboratory Reagents
18	49300	Biochemical Laboratory Equipment, to include: spectrophotometers, refrigerators, coolers, incubators, autoclaves, sterilizers, dishwashers, water baths, etc.

**DPU Goods and Services  
Addendum A - Supplies**

<b>Number</b>	<b>Material Group</b>	<b>Material Group Name</b>
19	55000	Traffic Control devices, to include:Guardrail, Traffic Barrels, Barricades, Flares, Traffic Cones, Concrete Barriers and Appurtenances
20	56000	Conveyor belt parts including <b>rollers and idlers</b>
21	57000	Metal bars, bar screens, <b>Bosker screens</b> , plates, rods
22	65800	Pipe and tubing, including: PVC Pipe, Metal Pipe, Galvanized Pipe, Black Iron Pipe, Copper Pipe, Saddles, and Tubing, <b>High Flow Hydrants</b>
23	65900	Pipe Fittings, to include: bushings, clamps, couplings, glands, leak detectors, locators, curb stops
24	67000	Plumbing equipment, parts, and accessories, including: actuators, plugs, sleeves, valves
25	69100	Electric motors and parts including motors and motor control centers
26	72000	Pumps, seals, drain collars, drain membranes, and related accessories
27	74500	Limited to: asphalt, concrete, aggregate, cement, cold patch, compound, mortar
28	75000	Limited to: sand, stone, gravel
29	75500	Shoring & Trench-safety items following OSHA requirements
30	<b>76000</b>	<b>Mobile and heavy equipment parts</b>
31	79000	Topsoil
32	83000	Tank monitoring equipment
33	83800	Data Communications, Telecommunications, PLCs and components and devices, including software and industrial computers and peripherals
34	88500	Water Treatment Chemicals, to include: Aluminum sulfate, Anionic Polymer, Carbon Dioxide, Cationic Polymer, Flouride, Hydrogen Peroxide, Iron Salts, Lime, Chlorine, Polymer, Sodium Bisulfite, Sodium Chlorite, Sodium Hypochlorite, Sodium Phospate, Sodium Hydroxide, etc.
35	89000	Water/Sewer Treatment Equipment to include: actuators, flocculator, sludge cloths, meters, repair sleeves, Couplings, Repair parts for vactors, water mains and Appurtenances, Commerical Water Meters 1" and Larger
36	91000	Painting and inspection parts and equipment
