

DPS 2021 SBH Levee Fishbeck - \$31,656.22

- Original contract awarded in 2011 to Fishbeck (FTCH) for \$418,820
- A second contract was awarded in 2017 to Fishbeck for \$97,455 by Ord 405-07
- Supplemental agreement awarded in 2018 for \$38,000
- After depleting their contract amount they have incurred an additional \$44,294.10 in expenses - this is a final total
- We have \$12,637.88 in our contingency budget, so we only need another \$31,656.22 by Ordinance
- Certification had to be achieved in order to keep residents out of the flood plain and subject to high insurance rates
- We have received written confirmation of certification from FEMA for both levee systems as of December 2020
