

## **2021 Sidewalk Program**

### **Bullet Points**

- This ordinance is necessary to maintain safe travel for pedestrians along with ensuring handicap accessibility.
- The City will spend \$1,750,000 on the 2021 Sidewalk program. \$750,000 is assessed to the property owner and \$1,000,000 is the City's responsibility for sidewalk raised by roots and the installation of pedestrian ramps adjacent to properties where work is being performed. This will come out of the Capital Improvement Program Fund.
- Funding to be allocated based on sidewalk condition.
- Final locations determined.
