Bullet Points

- The City has been awarded approximately \$3.63 million in OPWC funding for 11 roadway construction projects in 2020 and 2021.
- This ordinance is to allow us to accept those grants and loans and authorize the mayor to sign the agreements.
- Some 2021 OPWC projects also have outside funding through the State of Ohio Department of Transportation or TMACOG. OPWC funding partners with the other funding sources to further reduce the burden on the Matches and Planning fund.
- Funding: \$8.28 million of CIP funds allow us to match \$9.25 million of ODOT/TMACOG and \$3.63 million of OPWC funding for a total of \$21.16 million worth of roadway construction.
