

- Shotspotter is a required component of the BJA 2018 grant for \$492,553 (ord 442-18).
- The grant paid the first year cost for Shotspotter as well as the cost of a civilian crime analyst position for 2 years and the cost of experts to analyze the data.
- Without the renewal of the Shotspotter subscription we would not be in compliance with the original grant requirements.
