**Subject:** Commission on Disabilities

I would like to express my interest in joining the Commission on Disabilities. For more than 30 years I have been employed by the Lucas County Board of DD. I am looking for opportunities to continue utilizing my experience and networking to enhance the status of individuals with disabilities in our community.

Angie Goodnight suggested I send you my resume.

I have just retired from the Lucas County Board of Developmental after serving 34 years as the Public Information Manager. In that capacity I coordinated public relations, media relations, social media, special events, and public affairs. Special recognitions I have received include the Distinguished Service Award from the Ohio Association of County Boards of DD, an award for media support from The Arc, and an Award of Merit from Women in Communication.

I served for ten years as the volunteer president of Ohio Public Images, a not-for-profit in Ohio that worked to break down attitudinal barriers that often hinder an individuals with disabilities for gaining full access in the community to housing, employment and social activities.

I continue as the morning newscaster for Toledo radio stations WKKO and WRQN, a position I have held for the past 28 years. In all, my broadcast activity with radio and TV in the Toledo market spans 52 years.

Military Service: Retired from the Ohio National Guard (recipient of the Air Force Meritorious Service Medal)

Education: Bachelor of Arts from the University of Toledo

Respectfully,
