

**DEDICATION OF RIGHT OF WAY AIRPORT HIGHWAY AND BYRNE ROAD  
BULLET POINT**

**Ordinance to dedicate right of way at the intersection of Airport Highway and Byrne Road.**

- The Ohio Department of Transportation (ODOT), in partnership with the City of Toledo, will be constructing certain roadway safety improvements at the intersection of Airport Highway and Byrne Road.
- The City of Toledo is the fee owner of real estate known as Maplewood Cemetery located at the corner of Airport and Byrne.
- In order to implement the objectives and construct all of the necessary improvements for this safety project, a small amount of the City's property needs to be dedicated for public highway, utility and right-of-way purposes.
- The Division of Parks, Recreation and Forestry has reviewed the plans and proposed right of way required and has determined that the required area will not impact current or future cemetery improvements and/or operations and, therefore, has no objections to the proposed dedication.
- This ordinance will dedicate the necessary right of way so that the project can proceed in a timely manner.
