

DPS 2021 SBH Safety Grant \$161,675

- This Ordinance will allow for the purchase of guardrail via 100% grant funds
- Streets, Bridges & Harbor successfully applied for and received safety funds in the amount of \$161,675 for the purchase of guardrail and guardrail attenuators (end sections)
- Guardrail and guardrail attenuators will be placed at piers of railroad overpasses
- Overpasses include those over Central Avenue, Detroit Avenue, Fearing Boulevard, and East Broadway
- Current guardrail devices at these locations have either been crashed into and need to be replaced, or they are obsolete and need to be replaced
