

AWWA Membership Bullet Points

- AWWA is an international not-for-profit and educational society which advances public health, safety and welfare by uniting the efforts of the full spectrum of stakeholders from throughout the water processing and distribution community.
- This ordinance authorizes payment of the membership dues for 2021 for the Department of Public Utilities.
- City employees are covered under the AWWA membership number. For example to register for a conference, join an educational webinar, or purchase educational materials, city employees are able to use the number to get the “member” rate.
- The Department of Public Utilities maintains a membership with the American Water Works Association AWWA.
- The benefits of membership include: advocacy, professional development, resources & training, networking, benchmarking and performance standards.
- The employees currently included in the DPU membership are:
