Wade Kapszukiewicz
Mayor

Kimberly Cutcher, Executive Director

Kim joined LISC as a Deputy Director in June 18, 2012 and became the Executive Director of Toledo LISC in June 2015.

During this time, Kim has been able to secure over \$37 million for community partners to advance economic development initiatives in Toledo. Kim has been instrumental in rebuilding the Toledo LISC lending program, which includes two New Market Tax Credit projects and new opportunities for a theatre, health clinic, and grocery store. Kim has also led the Toledo CDC community in Creative-Placemaking, attracting additional resources from the Kresge Foundation to support their local efforts.

Prior to joining LISC, Kim served as the Chief Operating Officer of United North Corporation for five years overseeing their real estate portfolio and operations. In 2001, Cutcher began her career with NorthRiver Development Corporation and fostered the growth of a comprehensive neighborhood-based organization developing \$45 million of real estate, and a number of federally funded programs that provided opportunities for low and moderate income families.
