Housing Program

Designated Housing for Elderly and or Disabled Families

- LMH continues to provide housing dedicated to the needs of the elderly by maintaining the designation of certain public housing properties through the Designated Housing Plan for the Elderly with HUD.
- This plan was approved in 2018 and has been extended through 2025.
- LMH is currently evaluating whether to apply for future extensions.

Weiler Homes/Speiker Terrace	425	Family and Senior	TBD	TBD	Yes

FINANCIAL OPPORTUNITY CENTER

Lucas Metropolitan Housing has received the designation as a Financial Opportunity Center (FOC). LMH is the first housing authority in Ohio to receive this designation.

FOCs are on-site career and financial coaching service centers that help families living on low- to moderate-income build effective money habits and focus on the financial bottom line.

LMH has partnered with LISC to implement a successful model. LISC has over 100 FOCs across the country that are situated within local community organizations. These organizations are known for their exceptional services, convenient location, and trusted reputation. The success of the FOC will rely heavily on ESUSU and employment support.

FOCs provide employment and career counseling, one-on-one financial coaching and education, and low-cost financial products that help build credit, savings, and assets. They also connect clients with income support such as food stamps, utility assistance, and affordable health insurance. The cornerstone of the FOC model is providing these services in an integrated way—rather than as stand-alone services—and with a long-term commitment to helping clients reach their goals.

FOC Highlights

The Financial Opportunity Center Model (FOC) is now a permanent, core LMH service thanks to the partnership with LISC (Local Initiative Support Corporation) Toledo. It's fully institutionalized and expanded across multiple properties.

Last year, the FOC served 111 residents, delivering over 800 coaching sessions. Notable outcomes included:

- 79 residents were connected to income support, with over half approved and receiving benefits.
- Net worth increased for 29 residents.
- Multiple residents obtained living-wage employment.

The FOC continues to partner with programs such as ESUSU rent reporting, Getting Ahead, Benefits Bridge, and CC2JR, and works closely with Owens Community College, GED providers, and entrepreneurship coaches.

LMH has hired dedicated financial coaches and an FOC coordinator, allowing expansion to additional developments. The Weiler Homes food pantry is now tied to FOC engagement, and adult education linkages are being strengthened to support economic mobility goals.
