Professional Summary

A candidate for the Certified Public Accountant (CPA) exam and an experienced audit associate in the automotive and insurance industries.

Experience

PricewaterhouseCoopers (PwC), LLP □ Toledo, OH

Top 4 professional services firm in the accounting industry, striving to enhance decision-making ability for clients. Previously engaged to Dana Incorporated – a worldwide automotive parts supplier and Fortune 500 company, located in Maumee, Ohio. Presently engaged to several mortgage insurance companies across the United States.

Insurance Center of Excellence (COE) Core Assurance Experienced Associate

July 2019 – Present

- Reads PwC public audit guidance to remain abreast on changing accounting standards issued from PCAOB, and developing approaches to incorporate new standards into work paper documentation, as needed Executes detailed walkthroughs of complex business cycles to identify internal company controls and areas of risk
- Develops global acumen by frequently involving and communicating with PwC Acceleration Center team in India to perform assurance work
- Communicates across all levels of engagement team hierarchy and responds to urgent matters from upper management, while fulfilling normal duties
- Performs detailed self-reviews prior to submitting work papers for review; ensures all documentation required is appropriately identified and formatting accorded with firm standards
- Digitally advances processes by leveraging technology used to examine detailed listings and other supporting documentation obtained from clients (examples include: Alteryx workflows and UiPath Robots)

Core Assurance Associate

September 2018 – July 2019

- Built client relationships through scheduling and leading meetings, while providing assurance services
- Executed detailed walkthroughs of complex business cycles to identify internal company controls and areas of risk
- Communicates across all levels of engagement team hierarchy and responds to urgent matters from upper management, while fulfilling normal duties
- Tested payroll, treasury, derivatives, and related party cycles
- Communicated audit matters to senior members of engagement team
- Evaluated internal controls and performed controls and substantive testing through inquiry, observation, inspection, and reperformance to identify any control deficiencies or material weaknesses
- Completes detailed analysis of financial information provided in SEC filed financial statements to ensure information is accurate and free of error and/or fraud for both GAAP and STAT reporting entities

ProMedica Innovations □ Toledo, OH

ProMedica Innovations is a medical investment branch of ProMedica which invests in ideas, technologies, and inventions that can improve the quality of patient care and outcomes.

Accounting/Finance Intern

May - August 2018

- Prepared multiple expense summaries and disbursement requests
- Created a ten-year budget plan/proforma for the North West Ohio Tech Fund II
- Designed a reimbursement log for employees to properly track time and expenses to create ease when preparing expense summaries given to the State of Ohio

DTE Energy □ Detroit, MI

A Detroit-based diversified energy company involved in the development and management of energy-related businesses and services nationwide. Its operating units includes an electric utility serving over 2 million customers in the Southeast Michigan area and a natural gas utility serving over 1 million customers in Michigan.

Vendor Audit Intern

May - August 2017

- Assisted in the review of time review reports for the validation of data received from vendors
- Developed process maps, SWIs, and participated in weekly huddles aimed at monitoring Continuous Improvement initiatives
- Created and designed a SharePoint website where all Continuous Improvement data and worksheets were stored, reviewed, and updated as needed

Education

The University of Toledo, Toledo, OH
