Authorized Improvements included in **Exhibit B** and (iii) the schedule of estimated special assessments to be levied for the Authorized Improvements also included in **Exhibit B**. The Petitioner acknowledges that the estimated special assessment for each parcel is in proportion to the benefits that may result from the Authorized Improvements.

Accordingly, the Petitioner hereby petitions for the construction of the Authorized Improvements identified in this Petition and the Supplemental Plan attached hereto as **Exhibit B**, as authorized under Ohio Revised Code Chapter 1710, and for the imposition of the special assessments identified herein and authorized under Ohio Revised Code Chapters 727 and 1710 (the **Special Assessments**) to pay the costs thereof.

In consideration of the Political Subdivision's acceptance of this Petition and the imposition of the requested Special Assessments, the Petitioner consents and agrees that the Property as identified in **Exhibit A** shall be assessed for all of the costs of the Authorized Improvements, including any and all architectural, engineering, legal, insurance, consulting, energy auditing, planning, acquisition, installation, construction, survey, testing and inspection costs; the amount of any damages resulting from the Authorized Improvements and the interest thereon; the costs incurred in connection with the preparation, levy and collection of the special assessments; the cost of purchasing and otherwise acquiring any real estate or interests therein; expenses of legal services; costs of labor and material; financing costs incurred in connection with the issuance, sale, and servicing of securities or other obligations which provide a loan to the Corporation or the Petitioner or to otherwise pay costs of the Authorized Improvements in anticipation of the provider of such financing receiving the special assessments, capitalized interest on, and financing reserve funds for, such obligations; and the Authority and District program administration fees; together with all other necessary expenditures. The Petitioner agrees to pay the Special Assessments in a timely manner whether or not the Petitioner receives annual and timely notices of the Special Assessments.

The Petitioner further consents to the levying of the assessments therefore against the Property by the Legislative Authority. The Petitioner acknowledges that these Special Assessments are fair, just, and equitable and being imposed at the specific request of the Petitioner.

The Petitioner acknowledges that the Special Assessments set forth herein and in the Exhibits hereto are based upon an estimate of costs, and that the final Special Assessments shall be calculated in the same manner, which, regardless of any statutory limitation thereon, may be more or less than the respective estimated assessments for the Authorized Improvements. The Petitioner hereby waives the right to pay the final assessments for the Authorized Improvements in cash within thirty (30) days of the passage of the ordinance confirming and levying the final assessments and requests that the unpaid final assessments for the Authorized Improvements be payable in a number of annual special assessments, together with interest at an annual rate, as set forth in the Supplemental Plan attached as **Exhibit B** and incorporated herein by reference.

Pursuant to Ohio Revised Code Section 1710.03(C), the Petitioner hereby appoints as its designee to carry out the rights and responsibilities of District members under Ohio Revised Code Chapter 1710 such representative as may be duly appointed by the Petitioner from time to time, which designation shall not expire unless and until Petitioner shall notify the Secretary of the District that said designation is no longer in effect or that Petitioner have made a new designation to replace said designation.

The Petitioner further waives any and all questions as to the constitutionality of the laws under which Authorized Improvements shall be acquired, installed or constructed or the proceedings relating thereto, the jurisdiction of the Political Subdivision acting in connection therewith, all irregularities, errors and defects, if any, procedural or otherwise, in the levying of the assessments or the undertaking of the Authorized Improvements, and specifically waives any and all rights of appeal, including any right of appeal as provided in Ohio Revised Code Title 7, and specifically but without limitation, Ohio Revised Code Chapters 727 and 1710, as well as all such similar rights under the Constitution of the State of Ohio. The Petitioner represents that it will not contest, in a judicial or administrative proceeding, the undertaking of the Authorized Improvements, the estimated assessments, the final assessments and any Special Assessments levied against the Property for the Authorized Improvements, or any other matters related to the foregoing.

The Petitioner acknowledges and understands that the Political Subdivision and the Corporation all will be relying upon this Petition in taking actions pursuant thereto and expending resources. Therefore this Petition shall be irrevocable and shall be binding upon the Petitioner, any successors or assigns thereof, the Property, and any grantees, mortgagees, lessees, or transferees thereof.
