**AGREEMENT TO IMPOSE SPECIAL ASSESSMENTS**

**WHEREAS**, Steven Steel known herein as ("Borrower"), owner of the real property with address at 2041 Parkwood Avenue, Toledo, Ohio 43620 (the "Property") has made application to the Northwest Ohio Advanced Energy Improvement District ("the District") for financing a certain special energy improvement project ("Energy Project"), more particularly described in Borrower's application ("Application"); and

**WHEREAS**, the Energy Project has an overall estimated cost of Eleven Thousand Nine Hundred Twenty One Dollars and Zero Cents (\$11,921.00) (excluding interest and other transactional and carrying costs, all of which shall be included in the Special Assessments described below) as shown in Exhibit B which the District has agreed to finance; and

**WHEREAS**, Borrower requests that the Energy Project be financed through special assessments ("Special Assessments") upon the Property upon which the Energy Project will be constructed and exist as allowed under Ohio Revised Code Chapters 1710 and 727; and

**WHEREAS**, the District agrees to undertake the financing of the Energy Project through Special Assessments upon the condition that the Borrower agrees to impose the Special Assessments upon the Property and provide full cooperation with and assistance to the District and other entities and institutions involved in the process of approving and imposing the Special Assessments; and

**WHEREAS**, in order to induce the District to provide financing for the Energy Project, Borrower agrees to provide all such cooperation and assistance necessary for the imposition of the Special Assessments upon the Property.

**NOW THEREFORE**, in consideration of the mutual promises set forth herein, effective the 14 day of October, 2017, the Borrower and the District do hereby enter into this Agreement to Impose Special Assessments ("Agreement") as follows:

- 1. Consent to Special Assessments.** The Borrower consents to the imposition of Special Assessments upon the Property, which consists of the following county auditor parcel: 14-05224. A legal description of the Property is attached hereto as Exhibit A and incorporated herein by reference. In the event there are additional or other parcels of property that are not listed but which are benefitted by the Energy Project, the Borrower consents to the imposition of the Special Assessments with respect to those parcels as well. The Borrower acknowledges that the Special Assessments will constitute a lien upon the Property and may be enforced and collected in accordance with law, including the provisions of Chapter 727 of the Ohio Revised Code. The Special Assessments shall be in an amount sufficient to finance all of the cost of the Energy Project, as determined by and in the sole discretion of the District, including but not limited to the cost of: labor, materials, equipment, engineering, design, audits, interest, carrying costs, taxes, filing fees, recording charges and all other costs incident to the Energy Project. Borrower

acknowledges that the estimated cost of the Energy Project is only an estimate and that the actual cost of the Energy Project may be more or less than the estimate and that such estimate does not limit the amount of the Special Assessments; provided, however, that the sum total of all Special Assessments will not exceed the amount listed on Exhibit B. The Borrower agrees that one hundred percent (100%) of the Special Assessments shall be imposed upon the Property and that the Property is being specially benefitted to the full extent of the Special Assessments. The Special Assessments may continue for such period of time as allowed by law and shall continue for the full period of time required to pay the District for all costs, including financing costs, for the Energy Project. Borrower shall be liable for the Special Assessment payments.

**2. Agreement to Cooperate.** Borrower agrees to provide full and timely cooperation to the District and the agencies, entities and institutions involved in the special assessment process, including but not limited to: the District, the City of Toledo, the Lucas County Auditor, and the Lucas County Treasurer, so that the Special Assessments are imposed upon the Property and enforceable against the Property. The Borrower agrees to apply to the District for approval of its Energy Project and for admission as a member of the District. The Borrower shall cause a representative to appear at any necessary hearings or legal proceedings involving the Special Assessments and cooperate in such hearings or legal proceedings so that the Special Assessments are approved and become binding upon the Property. The Borrower agrees to provide on-going cooperation with the District and all other agencies, entities and institutions involved in the special assessment process during the entire period of time any of the financing for the Energy Project remains outstanding. In the event the Property is located in a political subdivision that is not, as of the date of this Agreement, within the jurisdiction of the District, the Borrower will cooperate with the District in seeking to expand that jurisdiction of the District to include the political subdivision in which the Property is located, including petitioning for such expansion.

**3. Execution of Documents; Appointment of Agent.** Upon the request of the District, the Borrower shall execute all applications, petitions for special assessments, waivers, acknowledgements, and other instruments, documents and papers ("Documents") necessary or helpful to impose the Special Assessments upon the Property and to acknowledge the validity and binding nature of such Special Assessments. To facilitate that process, the Borrower hereby irrevocably appoint the District's Chairperson, or such other individual as the District may name from time to time, as the Borrower's attorney-in-fact and agent with full and complete authority to execute all such Documents, including but not limited to the petition for Special Assessments, on behalf of the Borrower and to bind the Borrower and the Property to the Special Assessments, including making all waivers of hearings and notices concerning the Special Assessments.

Without limiting the generality of the foregoing grant of authority, the Borrower grants the District full irrevocable power and authority in the place of Borrower and in the name of Borrower or in District's own name, for the purpose of carrying out the terms of this Agreement, to perform, at any time and from time to time, each agreement contained in this Agreement that is on Borrower's part to be complied with, and to take any and all actions and to execute and deliver any and all Documents which may be necessary or desirable to give District the full benefit of this Agreement, in each case as District may from time to time deem advisable, Borrower hereby agreeing that District shall owe no duty whatever to Borrower to perform any

such agreement, to take any such action, or to execute or deliver any such Document or, having done so any one or more times, to thereafter continue doing so. Without limiting the generality of the foregoing, Borrower hereby irrevocably authorizes District, at any time and from time to time, to (a) fill in any blank space contained in this Agreement or other Documents, (b) correct patent errors, to complete and correct the description of the Property, and to complete the date herein or therein, (c) file and sign, on Borrower's behalf, at Borrower's expense and without Borrower's signature, such petitions for special assessments, waivers, affidavits, assignments, financing statements, endorsements of specific items of collateral, mortgages, powers of attorney, security agreements, or other Documents as District may from time to time deem advisable for the better evidencing, perfection, protection, or validation of, or realization of the benefits of this Agreement, and (d) to the extent District filed any such petitions for special assessments, waivers, affidavits, assignments, financing statements, endorsements of specific items of collateral, mortgages, powers of attorney, security agreements, or other Documents prior to the date of this Agreement, all such actions and Documents are hereby ratified by Borrower.

**4. Waiver of Certain Rights.** The Borrower acknowledges that the process for the imposition of special assessments provide the owners of property subject to such special assessments with certain rights, including rights to: receive notices of proceedings; object to the imposition of the special assessments; claim damages; participate in hearings; take appeals from proceedings imposing special assessments; participate in and prosecute court proceedings, as well as other rights under law, including but not limited to those provided for or specified in the United States Constitution, the Ohio Constitution, Chapter 727 of the Ohio Revised Code, the Toledo City Charter and the Toledo Municipal Code (collectively, "Assessment Rights"). The Borrower hereby irrevocably waives all Assessment Rights and consents to the imposition of the Special Assessments immediately or at such time as the District determines to be appropriate, and the Borrower expressly requests the entities involved with the special assessment process to promptly proceed with the imposition of the Special Assessment upon the Property. The Borrower further waives: any and all questions as to the constitutionality of the law under which the Energy Project will be constructed and the Special Assessments imposed upon the Property; the jurisdiction of the Council acting thereunder; and the right to file a claim for damages as provided in Revised Code section 727.18 and Toledo Charter section 201.

**5. Representations and Warranties.** The Borrower represents and warrants that:

- A. The Borrower is the sole owner of the Property;
- B. The Borrower owns the Property in fee simple absolute, and has the full legal authority to subject the Property to the Special Assessments;
- C. The Borrower is duly authorized to enter into this Agreement;
- D. Entering into this Agreement will not result in the breach of any other agreement to which the Borrower is a party; and

E. All of the factual statements concerning the Borrower contained in the Application and in this Agreement are true and accurate to the best of his/her knowledge and belief and if there is a material change in the accuracy or truthfulness of any such factual statement, the Borrower will promptly disclose the same to the District.

**6. Assignment; Third Party Beneficiaries.** The Borrower may not assign this Agreement without the consent of the District, which consent shall not be unreasonably withheld. The District may assign this Agreement, or any portion of its benefits or obligations, freely to another party, with or without the consent of the Borrower.

**7. Default.** If any of the following events shall occur, it shall be deemed a default ("Default") under this Agreement and the District shall be entitled to avail itself of any rights or remedies under this Agreement and any rights or remedies provided under law:

- A. The Borrower fails to pay an installment of any Special Assessment when due.
- B. The Borrower fails to perform any other obligation under this Agreement and the failure continues for a period of ten (10) days after written notice from the District.
- C. The Borrower is in breach of any of its representations or warranties under this Agreement.
- D. The Borrower abandons the Property.
- E. The Borrower commits waste upon the Property.
- F. The Borrower becomes bankrupt or file or have filed against it a petition in bankruptcy or arrangement or other relief under the bankruptcy laws or any similar state law or makes an assignment for the benefit of creditors.

In the event of a Default, then, in addition to any other remedy the District may have, the District may recover from Borrower all damages it incurs by reason of the Default, including its reasonable attorneys' fees and expenses.

**8. General.**

- A. If any provision of this Agreement is found to be invalid, illegal or unenforceable under any applicable statute or law, such provision shall to that extent be deemed to be omitted, and the remaining provisions of this Agreement shall not be affected in any way.
- B. The Borrower acknowledges that they have read and understand this Agreement and are bound by its terms. This Agreement contains the entire understanding and agreement of the parties with respect to the matters contained herein, and supersedes all prior proposals and understandings between the parties.
- C. This Agreement shall not be modified or altered except as by a written instrument duly executed by all parties.

- D. The Borrower acknowledges that he/she has had an opportunity to review this Agreement and to be advised by an attorney of their choosing as to the Agreement's terms, conditions and provisions. The Borrower is entering into this Agreement knowingly and voluntarily.
- E. The District and the Borrower are, in relation to one another, independent contractors and not agents of one another, except to the extent the District is authorized to act on behalf of the Borrower in accordance with paragraph 3 above. The parties have no fiduciary obligations to one another and are not, by entering into this Agreement, assuming any such fiduciary obligations.
- F. The Borrower acknowledges that the District has been created under provisions of the Ohio Revised Code and the District's authority, as well as the authority of its employees, agents, and representatives, are limited under law.
- G. The District may cause this Agreement to be recorded in the office of the Lucas County Recorder. The obligations created by this Agreement shall run with and be binding upon the land regardless of the owners of Property until duly released by the District.
- H. The Borrower will provide written notice to the District of any sale or transfer of the Property.
- I. The Borrower shall disclose the existence of this Agreement to any purchaser or transferee of the Property and inform such purchaser or transferee of the nature and extent of the Special Assessments before entering into a binding agreement for the sale or transfer of the Property.
- J. The Borrower acknowledges that the Special Assessments, when levied against the Property, will be payable in cash within thirty (30) days from the date of passage of the ordinance levying the final assessment if permitted by law and that if such Special Assessment is not paid in cash, the balance will be certified to the Auditor of Lucas County, as provided by law, to be placed by the Auditor on the tax list and duplicate and collected as other taxes are collected in such number of semi-annual installments as determined by the District and as allowed by law, together with interest at the same rate as shall be borne by the loans received or bonds issued to pay the costs of the Energy Project or in anticipation of the collection of the Special Assessments. Notwithstanding the foregoing, the Borrower waives and authorizes the District to waive on its behalf, the right to pay the Special Assessments in cash.
- K. At such time as the Special Assessments are no longer necessary to finance the Energy Project, the District having recovered all of its costs, and all other requirements under this Agreement have been fulfilled, the District will provide a release of this Agreement and cause the same to be recorded in the office of the Lucas County Recorder.
- L. This Agreement shall be governed by and interpreted in accordance with the laws of the State of Ohio, without regard to its conflict of laws principles.
- M. Any legal proceeding, including any arbitration or litigation, concerning this agreement, directly or indirectly, shall be heard only in a state or federal court with proper jurisdiction in Lucas County, Ohio.
