The Training Section will be conducting the state-mandated training below for all sworn personnel during the 2022 calendar year. Watch commanders and timekeepers: pay particular attention to the notes for each session as the requirements may vary. When updating in ISE be sure to label with the 2022 appropriate trainings and firearms (listed as firearms-no year). It is incumbent on all watch commanders and timekeepers to ensure their personnel are scheduled for, and attend, all state-mandated training. This training will continue throughout the year, however all personnel must have completed all four blocks (32 hours) of training by years end.

Officers who fail to comply with Ohio Administrative Code 109:2-18-06 by December 31, 2022, will be placed on a cease-function status by the Ohio Peace Officer Training Commission and will be prohibited from carrying a firearm during the course of their duty.
