LMH Board of Commissioner Nominee, Virginia Rodgers

Dear Ms. Poore:

Consistent with the Ohio Revised Code requirement that a resident sit on LMH's Board of Commissioners, LMH has nominated Ms. Virginia Rodgers. She is a resident in good standing, and we believe would be an excellent addition to the board.

Consistent with 24 CFR 964.150, Ms. Rodgers, received a stipend from LMH. Its purpose is to provide residents with some compensation for volunteering to provide service in the benefit of the residents in their development. Accordingly, Ms. Rodgers will be eligible to continue receiving the stipend that will be repurposed for being on the board.

To comply with tax rules, Ms. Rodgers, like other resident volunteers, received a 1099 each year. The 1099 confirms that Ms. Rodgers is not, and has not been, an employee of LMH.

Please feel free to contact me if you have any questions.

Very Truly Yours,

DocuSigned by:
