

## BOND PURCHASE AGREEMENT

KeyBanc Capital Markets Inc., Cleveland, Ohio (the Underwriter), and the City of Toledo, Ohio (the City), enter into this Agreement dated as of [October \_\_, 2019], for the purchase by the Underwriter from the City of the bonds proposed to be issued by the City as described below. The Underwriter is not acting as a fiduciary of the City, but rather is acting solely in its capacity as Underwriter for its own account.

In consideration of their mutual covenants and agreements, the Underwriter and the City agree as follows:

Section 1. Description of and Agreement to Purchase the Bonds. Upon and subject to the terms, conditions and provisions set forth in this Agreement, the Underwriter agrees to purchase from the City, and the City agrees to sell to the Underwriter, all (but not less than all) of the following bonds to be issued by the City: [\$12,580,000] Capital Improvement and Refunding Bonds, Series 2019[, consisting of \$\_\_\_\_\_,000 of Current Interest Bonds and \$\_\_\_\_,000 of Capital Appreciation Bonds] ([collectively,] the Bonds). The Bonds are being issued under and will have the terms determined in or pursuant to the Bond Legislation.

The [Current Interest] Bonds will be dated as of the Closing Date, and will mature on December 1 of the years and bear interest (computed on the basis of twelve 30-day months and a 360-day year) at the rates per year, payable on June 1 and December 1 of each year, commencing [June 1, 2020], as provided in the Bond Legislation. [The Capital Appreciation Bonds will be dated [November \_\_], 2019, and will mature on December 1 of the years and bear interest at the compounding rates per year, payable at maturity, as provided for in the Bond Legislation.]

Section 2. Purchase Price; Public Offering. The purchase price of the Bonds shall be \$ \_\_\_\_\_, there being no accrued interest from the date of the Bonds to the Closing Date. That purchase price represents the aggregate principal amount of the Bonds [\$12,580,000.00], plus net original issue premium (\$ \_\_\_\_\_), less the Underwriter's discount (\$ \_\_\_\_\_) and a discount [for the Bond Insurance premium (\$ \_\_\_\_\_)] and the other issuance expenses to be paid by the Underwriter (\$ \_\_\_\_\_) in accordance with Section 11(b)(i) through [(iii)][(iv)].

The Underwriter intends to make an initial bona fide public offering of the Bonds of each maturity [and each interest rate within a maturity] at not in excess of the offering prices set forth on the cover of the Official Statement, and may subsequently change the offering prices. In addition to any reporting required pursuant to Section 9, the Underwriter agrees to notify the City of such changes if they occur prior to the Closing Date, but failure to so notify the City will not invalidate those changes. The Underwriter may offer and sell the Bonds to certain dealers (including dealers depositing Bonds into investment trusts or mutual funds) at prices lower than such offering price or prices.

(h) The City will not take or omit to take any action that will in any way result in the Bond proceeds being applied in a manner other than as provided in the Bond Legislation and certifications contained in the transcript of proceedings.

Section 5. Official Statement. The City has duly authorized the use and distribution, in accordance with applicable law, of the Preliminary Official Statement and the Official Statement by the Underwriter in connection with the offering and sale of the Bonds. As of its date, the Preliminary Official Statement was “deemed final” (except for permitted omissions) by the City for purposes of SEC Rule 15c-12(b)(1).

The City will complete the final Official Statement for purposes of SEC Rule 15c-12(b)(3) and (4), and will within seven business days after the date of this Agreement but no later than the Closing Date furnish to the Underwriter sufficient copies of the Official Statement, one of which will be signed on behalf of the City. The City confirms its authorization to the Underwriter to use and distribute the final Official Statement in connection with its delivery and distribution of the Bonds.

During the period ending on the 25th day after the End of the Underwriting Period (or such other period as may be agreed to by the City and the Underwriter), the City shall notify the Underwriter if any event shall occur, or information comes to the attention of the City, that is reasonably likely to cause the Official Statement (whether or not previously supplemented or amended) to contain any untrue statement of a material fact or to omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

If, in the reasonable judgment of the Underwriter, any such event requires that the Official Statement be amended or supplemented, the City and the Underwriter will cooperate in the preparation of either amendments of or supplements to the Official Statement in form and substance mutually agreed upon by the City and the Underwriter so that the Official Statement as so amended or supplemented will not, in light of the circumstances when the Official Statement as so amended or supplemented is delivered to any purchaser or potential customer, be misleading.

For purposes of this Agreement, the “End of the Underwriting Period” is used as defined in the Rule and shall occur on the later of (A) the Closing Date or (B) when the Underwriter no longer

retains an unsold balance of the Bonds; provided that, unless otherwise advised in writing by the Underwriter on or prior to the Closing Date, or otherwise agreed to by the City and the Underwriter, the City may assume that the End of the Underwriting Period is the Closing Date.

Section 6. Blue Sky Qualification. The City will cooperate with the Underwriter for the purpose if the Underwriter decides to qualify the Bonds under the securities laws of any jurisdiction, and will furnish the Underwriter with such information, execute such instruments, and take such other action as may be necessary in the reasonable judgment of the Underwriter to the effect registration or confirmation of exemption from registration of the Bonds under those laws. However, the City does not consent, shall not be required with respect to the offer or sale of the Bonds to consent, to suit or consent to general service of process in any jurisdiction.

Section 7. Closing, Delivery and Payment of the Bonds. The Closing will occur at or before 11:00 a.m., Ohio time, on the Closing Date, and at the Cleveland, Ohio office of Bond Counsel, or at such other later time or other place as the Underwriter and the City mutually agree upon. At the Closing, the Underwriter shall accept or acknowledge delivery of the Bonds, in definitive form duly executed and authenticated, and of the Closing Documents identified in Section 8.

The Bonds will be delivered as fully registered Bonds in typewritten or xerographically reproduced form, registered in the name of a nominee of DTC, in denominations equal to the aggregate principal amount of Bonds of each maturity [and each interest rate within a maturity]. The Bonds will be made available to DTC or to the Bond Registrar as agent for DTC pursuant to DTC's Fast Automated Securities Transfer (FAST) service, if satisfactory to DTC, the Bond Registrar and the Underwriter, at least one business day prior to the Closing Date for purposes of inspection and establishment of the book entry system for the Bonds as described in the Official Statement.

At the Closing, the Underwriter shall make payment for the Bonds in immediately available funds in accordance with the instructions the City will provide to the Underwriter.

CUSIP identification numbers will be placed on the Bonds, but the City will have no responsibility for the accuracy of those numbers. Neither the failure to place such numbers on any Bond nor any error with respect to any CUSIP numbers shall constitute cause for a failure or refusal by the Underwriter to accept delivery of and pay for any of the Bonds.

Section 8. Closing Documents. The Closing Documents shall consist of the following, each properly signed or certified or otherwise verified, dated as of such date and in such form, as may be satisfactory to Bond Counsel and the Underwriter:

- (a) A legal opinion of Bond Counsel, substantially in the form of [Appendix F] to the Preliminary Official Statement.
- (b) An appropriate certificate pursuant to Sections 103 and 148 of the Internal Revenue Code of 1986, as amended.
- (c) Copies of the Bond Ordinances, certified by the Clerk of Council, and the Certificate of Award, signed as provided in the Bond Ordinances.
- (d) Copies of the Bond Registrar Agreement, the Continuing Disclosure Agreement, the Escrow Agreement and the Certificate of Award, signed as provided in the Bond Ordinances.

(e) Two complete, true and correct manually executed copies of the Official Statement, and a certificate signed by the appropriate City officials relating to the accuracy of the Preliminary and final Official Statements.

(f) [The Bond Insurance policy, dated no later than the Closing Date, together with an appropriate opinion of counsel to the Bond Insurer.

(g) Evidence satisfactory to the Underwriter that the Bonds have been assigned ratings of “\_\_\_” by Moody’s Investor Service and “\_\_\_” by Standard & Poor’s Rating Services [based on the issuance by the Bond Insurer of the Bond Insurance and have been assigned underlying ratings of “\_\_\_” by Moody’s Investors Service and “\_\_\_” by Standard and Poor’s Rating Services].

(h) A verification report of the Verification Consultant on the mathematical accuracy of certain computations with respect to the adequacy of money and investments in the Escrow Fund established by the Escrow Agreement.

(i) Such additional legal opinions, certificates, instruments and other documents as Bond Counsel may reasonably request (i) in order to enable Bond Counsel to render its opinion, or (ii) to evidence compliance with legal requirements, or (iii) to evidence the truth and accuracy, as of the date of this Agreement and as of the Closing Date, of the City’s representations and warranties contained in this Agreement and of the statements and information contained in the Official Statement as of its date and as of the Closing Date, or (iv) to evidence the due performance or satisfaction by the City on or prior to the Closing Date of all agreements then to be performed and all conditions then to have been or to be satisfied by the City.

All of the opinions, letters, certificates, instruments and other documents identified or referred to in this Agreement shall be deemed to be in compliance with the provisions of this Agreement, if, but only if, they are in form and substance satisfactory to the Underwriter. That satisfaction shall be conclusively evidenced by the Underwriter accepting and paying for the Bonds.

If the City is unable to satisfy the conditions contained in this Agreement to the obligations of the Underwriter to purchase or to accept delivery of and to pay for the Bonds, or if those obligations of the Underwriter are terminated for any reason permitted by this Agreement, this Agreement shall terminate and neither the Underwriter nor the City shall be under further obligation under it, except that the respective obligations of the City and the Underwriter set forth in Section 11 shall continue in full force and effect.

The Underwriter shall deliver at the Closing a certificate substantially in the form attached hereto as **Exhibit B**, completed as appropriate to reflect the pricing and terms of the Bonds.

#### Section 9. Establishment of Issue Price.

(a) The Underwriter agrees to assist the City in establishing the issue price of the Bonds and shall execute and deliver to the City at Closing an “issue price” or similar certificate, together with the supporting pricing wires or equivalent communications, substantially in the form attached hereto as **Exhibit B**, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Underwriter, the City and Bond Counsel, to accurately reflect, as applicable, the sales price or prices or the initial offering price or prices to the public of the Bonds.

(b) [Except as otherwise set forth in Schedule [I] attached hereto, t][T]he City will treat the first price at which 10% of each maturity of the Bonds (the “10% test”) is sold to the public as the issue price of that maturity. At or promptly after the execution of this Agreement, the Underwriter shall report to the City the price or prices at which it has sold to the public each maturity of Bonds. If at that time the 10% test has not been satisfied as to any maturity of the Bonds, the Underwriter agrees to promptly report to the City the prices at which it sells the unsold Bonds of that maturity to the public. That reporting obligation shall continue, whether or not the Closing Date has occurred, until either (i) the Underwriter has sold all Bonds of that maturity or (ii) the 10% test has been satisfied as to the Bonds of that maturity, provided that, the Underwriter’s reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the City or bond counsel. For purposes of this Section, if Bonds mature on the same date but have different interest rates, each separate CUSIP number within that maturity will be treated as a separate maturity of the Bonds.

**Schedule [I] and subsection (c) shall apply only if the Underwriter agrees to apply the hold-the-offering-price rule, as described below.**

(c) The Underwriter confirms that it has offered the Bonds to the public on or before the date of this Agreement at the offering price or prices (the “initial offering price”), or at the corresponding yield or yields, set forth in Schedule [I] attached hereto, except as otherwise set forth therein. Schedule [I] also sets forth, as of the date of this Agreement, the maturities, if any, of the Bonds for which the 10% test has not been satisfied and for which the City and the Underwriter agree that the restrictions set forth in the next sentence shall apply, which will allow the City to treat the initial offering price to the public of each such maturity as of the sale date as the issue price of that maturity (the “hold-the-offering-price rule”). So long as the hold-the-offering-price rule remains applicable to any maturity of the Bonds, the Underwriter will neither offer nor sell unsold Bonds of that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

- (i) the close of the fifth (5<sup>th</sup>) business day after the sale date; or
- (ii) the date on which the Underwriter has sold at least 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public.

The Underwriter will advise the City promptly after the close of the fifth (5<sup>th</sup>) business day after the sale date whether it has sold 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public.

- (d) The Underwriter confirms that:
- (i) any selling group agreement and any third-party distribution agreement relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each dealer who is a member of the selling group and each broker-dealer that is a party to such third-party distribution agreement, as applicable:

(A) (1) to report the prices at which it sells to the public the unsold Bonds of each maturity allocated to it, whether or not the Closing Date has occurred, until either all Bonds of that maturity allocated to it have been sold or it is notified by the Underwriter that the 10% test has been satisfied as to the Bonds of that maturity, provided that, the reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the Underwriter, and (2) to comply with the hold-the-offering-price rule, if applicable, if and for so long as directed by the Underwriter,

(B) to promptly notify the Underwriter of any sales of Bonds that, to its knowledge, are made to a purchaser who is a related party to an underwriter participating in the initial sale of the Bonds to the public (each such term being used as defined below), and

(C) to acknowledge that, unless otherwise advised by the dealer or broker-dealer, the Underwriter shall assume that each order submitted by the dealer or broker-dealer is a sale to the public.

(ii) any selling group agreement relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each dealer that is a party to a third-party distribution agreement to be employed in connection with the initial sale of the Bonds to the public to require each broker-dealer that is a party to such third-party distribution agreement to (A) report the prices at which it sells to the public the unsold Bonds of each maturity allocated to it, whether or not the Closing Date has occurred, until either all Bonds of that maturity allocated to it have been sold or it is notified by the Underwriter or the dealer that the 10% test has been satisfied as to the Bonds of that maturity, provided that, the reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the Underwriter or the dealer, and (B) comply with the hold-the-offering-price rule, if applicable, if and for so long as directed by the Underwriter or the dealer and as set forth in the related pricing wires.

(e) The City acknowledges that, in making the representations set forth in this Section, the Underwriter will rely on (i) in the event a selling group has been created in connection with the initial sale of the Bonds to the public, the agreement of each dealer who is a member of the selling group to comply with the requirements for establishing issue price of the Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Bonds, as set forth in a selling group agreement and the related pricing wires, and (ii) in the event that a third-party distribution agreement was employed in connection with the initial sale of the Bonds to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the requirements for establishing issue price of the Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Bonds, as set forth in the third-party distribution agreement and the related pricing wires. The City further acknowledges that the Underwriter shall not be liable for the failure of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a third-party distribution agreement, to comply with its corresponding agreement to comply with

the requirements for establishing issue price of the Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Bonds.

(f) The Underwriter acknowledges that sales of any Bonds to any person that is a related party to an underwriter participating in the initial sale of the Bonds to the public (each such term being used as defined below) shall not constitute sales to the public for purposes of this section. Further, for purposes of this Section:

(i) “public” means any person other than an underwriter or a related party,

(ii) “underwriter” means (A) any person that agrees pursuant to a written contract with the City (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Bonds to the public (including a member of a selling group or a party to a third-party distribution agreement participating in the initial sale of the Bonds to the public),

(iii) a purchaser of any of the Bonds is a “related party” to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (A) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (B) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (C) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and

(iv) “sale date” means the date of execution of this Agreement by all parties.

#### Section 10. Conditions of the Obligations of the Underwriter and the City.

(a) The obligations of the Underwriter to purchase, and to accept delivery of and pay for, the Bonds will be subject to all of the following:

(i) The completeness and correctness, on the date of this Agreement and on the Closing Date, of the representations and warranties of the City made in this Agreement.

(E) [The Bond Insurer shall have delivered the policy of Bond Insurance, and the Bond Insurance shall be in full force and effect.

(F) ]There shall have been taken, in connection with the issuance of the Bonds and with the transactions contemplated in this Agreement and in those documents, all such actions as in the opinion of Bond Counsel are legally necessary and appropriate.

(b) The Underwriter shall have the right, between the date of this Agreement and the Closing Date, by written notice to the City, to cancel its obligation to purchase the Bonds and to terminate this Agreement (except for the provisions of Section 11(c) which shall survive any such termination) if, in the Underwriter's reasonable judgment, any of the following events shall occur during that time and cause the market price or marketability of the Bonds, or the ability of the Underwriter to enforce contracts for the sale of the Bonds, to be materially adversely affected:

(i) Legislation shall have been enacted by the Congress of the United States or the Ohio General Assembly or shall have been favorably reported out of committee of either body or be pending in committee of either body, or shall have been recommended to the Congress for passage by the President of the United States or a member of the President's Cabinet, or a decision shall have been rendered by a court of the United States or the State or the Tax Court of the United States, or a ruling, resolution, regulation or temporary regulation, release or announcement shall have been made or shall have been proposed to be made by the Treasury Department of the United States or the Internal Revenue Service, or other federal or state authority with appropriate jurisdiction, with respect to federal or state taxation upon interest received on obligations of the general character of the Bonds; or

(iv) Legislation shall have been enacted by the Congress of the United States or shall have been favorably reported out of committee or be pending in committee, or shall have been recommended to the Congress for passage by the President of the United States or a member of the President's Cabinet, or a decision by a court of the United States shall be rendered, or a ruling, regulation, proposed regulation or statement by or on behalf of the SEC or other governmental agency having jurisdiction of the subject matter shall be made, to the effect that any obligations of the general character of the Bonds, the Bond Legislation or the Basic Documents, or any comparable securities of the City, are not exempt from the registration, qualification or other requirements of the Securities Act of 1933 or the Trust Indenture Act or otherwise, or would be in violation of any provision of the federal securities laws; or

(v) Any event or circumstance exists that either makes untrue or incorrect, in a material respect, any statement or information contained in the Official Statement, or is not reflected in the Official Statement but should be reflected in the Official Statement in order to make the statements and information contained in the Official Statement not misleading in any material respect and, in either such event, the City refuses to permit the Official Statement to be supplemented to supply such statement or information, or the effect of the Official Statement as so supplemented is to materially adversely affect the market price or marketability of the Bonds or the ability of the Underwriter to enforce contracts for the sale of the Bonds; or

**UNDERWRITER'S CERTIFICATE**

KeyBanc Capital Markets Inc. (“KBCM”), as Underwriter for the bonds identified above (the “Issue”), issued by the City of Toledo, Ohio (the “Issuer”), based on its knowledge regarding the sale of the Issue, certifies as of this date as follows:

**(1) Issue Price.**

**[If the issue price is determined using only the general rule (actual sales of at least 10%) in Regulations § 1.148-1(f)(2)(i):**

(A) As of the date of this certificate, for each Maturity of the Issue, the first price at which at least 10% of such Maturity of the Issue was sold to the Public is the respective price listed in the final Official Statement, dated October \_\_, 2019, for the Issue (the “Sale Price” as applicable to respective Maturities). The aggregate of the Sale Prices of each Maturity is \$\_\_\_\_\_ (the “Issue Price”).

**[If the issue price is determined using a combination of actual sales (Regulations § 1.148-1(f)(2)(i)) and hold-the-offering-price (Regulations § 1.148-1(f)(2)(ii)):**

(A) As of the date of this certificate, for each Maturity listed on Schedule A as the “General Rule Maturities,” the first price at which at least 10% of such Maturity was sold to the Public is the respective price listed in Schedule A (the “Sale Price” as applicable to each Maturity of the General Rule Maturities).

(B) On or before the Sale Date, KBCM offered the Maturities listed on Schedule I as the “Hold-the-Offering-Price Maturities” to the Public for purchase at the respective initial offering prices listed in Schedule I (the “Initial Offering Prices” as applicable to each Maturity of the Hold-the-Offering-Price Maturities). A copy of the pricing wire or equivalent communication for the Issue is attached to this certificate as Schedule II.

(C) As set forth in the Bond Purchase Agreement between KBCM and the Issuer, dated October \_\_, 2019, KBCM has agreed in writing that, (i) for each Maturity of the Hold-the-Offering-Price Maturities, it would neither offer nor sell any portion of such Maturity to any person at a price that is higher than the Initial Offering Price for such Maturity during the Holding Period for such Maturity (the “hold-the-offering-price rule”), and (ii) any selling group agreement shall contain the agreement of each dealer who is a member of the selling group, and

any retail distribution agreement shall contain the agreement of each broker-dealer who is a party to the retail distribution agreement, to comply with the hold-the-offering-price rule. Pursuant to such agreement, no Underwriter has offered or sold any Maturity of the Hold-the-Offering-Price Maturities at a price that is higher than the respective Initial Offering Price for that Maturity of the Issue during the Holding Period.

(D) The aggregate of the Sale Prices of the General Rule Maturities and the Initial Offering Prices of the Hold-the-Offering-Price Maturities is \$[\_\_\_\_\_] (the “Issue Price”).]

**[If the issue price is determined using only the hold-the-offering-price rule in Regulations § 1.148-1(f)(2)(ii):**

(A) KBCM offered, on or before the Sale Date, each Maturity of the Issue to the Public for purchase at the respective initial offering prices listed in the final Official Statement, dated October \_\_, 2019, for the Issue (the “Initial Offering Prices”). A copy of the pricing wire or equivalent communication for the Issue is attached to this certificate as Schedule I. The aggregate of the Initial Offering Prices of each Maturity is \$\_\_\_\_\_ (the “Issue Price”).

(B) As set forth in the Bond Purchase Agreement between KBCM and the Issuer, dated October \_\_, 2019, KBCM has agreed in writing that, (i) for each Maturity of the Issue, it would neither offer nor sell any portion of such Maturity to any person at a price that is higher than the Initial Offering Price for such Maturity during the Holding Period for such Maturity (the “hold-the-offering-price rule”), and (ii) any selling group agreement shall contain the agreement of each dealer who is a member of the selling group, and any retail distribution agreement shall contain the agreement of each broker-dealer who is a party to the retail distribution agreement, to comply with the hold-the-offering-price rule. Pursuant to such agreement, no Underwriter has offered or sold any Maturity of the Issue at a price that is higher than the respective Initial Offering Price for that Maturity of the Issue during the Holding Period.

[(B),(E), or (C)] Definitions. **[NOTE:** If issue price is determined using only the general rule (actual sales of 10%), delete the definitions of “Holding Period” and “Sale Date.”]

["Holding Period" means, for each Hold-the-Offering-Price Maturity of the Issue, the period starting on the Sale Date and ending on the earlier of (i) the close of the fifth business day after the Sale Date (October \_\_, 2019), or (ii) the date on which KBCM has sold at least 10% of such Maturity of the Issue to the Public at a price that is no higher than the Initial Offering Price for such Maturity.]

“Maturity” means bonds of the Issue with the same credit and payment terms. Bonds of the Issue with different maturity dates, or bonds of the Issue with the same maturity date but different stated interest rates, are treated as separate Maturities.

“Public” means any person (including an individual, trust, estate, partnership, association, company, or corporation) other than an Underwriter or a related party to an

Underwriter. The term “related party” for purposes of this certificate generally means any two or more persons who have greater than 50 percent common ownership, directly or indirectly.

[“Sale Date” means the first day on which there is a binding contract in writing for the sale of a Maturity of the Issue. The Sale Date of the Issue is October \_\_, 2019.

“Underwriter” means (i) any person that agrees pursuant to a written contract with the Issuer (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Issue to the Public, and (ii) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (i) of this paragraph to participate in the initial sale of the Issue to the Public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Issue to the Public).

All capitalized terms not defined in this Certificate have the meaning set forth in the Issuer’s Tax Compliance Certificate or in Attachment A to it.

(2) **Yield.** The Yield on the Issue is \_\_\_\_\_%, being the discount rate that, when used in computing the present worth of all payments of principal and interest to be paid on the Issue, computed on the basis of a 360-day year and semi-annual compounding, produces an amount equal to the Issue Price of the Issue as stated in paragraph (1) [, less the premium paid for the Bond Insurance]<sup>1</sup> [and computed with the adjustments stated in paragraphs (7) and (8)].

(3) **Weighted Average Maturity.** The weighted average maturity (defined below) of the Issue is \_\_\_\_\_ years and the remaining weighted average maturity of the Outstanding Issue is \_\_\_\_ of a year. The weighted average maturity of an issue is equal to the sum of the products of the issue price of each maturity of the issue and the number of years to the maturity date of the respective maturity (taking into account mandatory but not optional redemptions), divided by the issue price of the entire issue.

(4) **Underwriter’s Discount.** The Underwriter’s discount is \$\_\_\_\_\_, being the amount by which the aggregate Issue Price (as set forth in paragraph (1)) exceeds the sum of (i) the price paid by KBCM to the Issuer for the Issue, [and] (ii) [the amount withheld by KBCM for the payment of the premium for the Bond Insurance and (iii)] the amount withheld by the Underwriter for the payment of other Issuance Costs.

[(5) **Bond Insurance.** The amount and time of payment of the premium for the Bond Insurance insuring [all/a portion] of the obligations of the Issue are stated in the Issuer’s Tax Compliance Certificate. Based on that information and KBCM’s knowledge and experience and, as to (B) below, based on an estimate by KBCM of the Yields at which such obligations would have sold in the absence of the Bond Insurance:

(A) The premium paid for the Bond Insurance does not exceed a reasonable charge for the transfer of credit risk, taking into account

---

<sup>1</sup> Delete the bracketed language if there is no Bond Insurance.

charges by bond insurers in similar transactions with which KBCM is familiar.

(B) The present value of the premium paid for the Bond Insurance is less than the present value of the interest reasonably expected to be saved on the Issue as a result of the Bond Insurance, for which purpose present value is computed by using the yield-to-maturity of the Issue (taking into account the premium paid for the Bond Insurance) as the discount rate.

(6) **Discount Maturities Subject to Mandatory Early Redemption.** No Maturity that is subject to mandatory early redemption has a stated redemption price that exceeds the Sale Price or Initial Offering Price, as applicable, of such Maturity by more than one-fourth of 1% multiplied by the product of its stated redemption price at maturity and the number of years to its weighted average maturity date.

[Or]

**Discount Maturities Subject to Mandatory Early Redemption.** The stated redemption price at maturity of the Maturities that mature in the year[s] 20\_\_, which Maturities are the only Maturities of the Issue that are subject to mandatory early redemption, exceeds the Sale Price or Initial Offering Price, as applicable, of such Maturities by more than one-fourth of 1% multiplied by the product of the stated redemption price at maturity and the number of years to the weighted average maturity date of such Maturities. Accordingly, in computing the Yield on the Issue stated in paragraph (2), those Maturities were treated as redeemed on each mandatory early redemption date at their present value rather than at their stated principal amount.

(7) **Premium Maturities Subject to Optional Redemption.** No Maturity:

- Is subject to optional redemption within five years of the Issuance Date of the Issue.
- That is subject to optional redemption has an Initial Offering Price or Sale Price, as applicable, that exceeds its stated redemption price at maturity by more than one-fourth of 1% multiplied by the product of its stated redemption price at maturity and the number of complete years to its first optional redemption date.

[Or]

**Premium Maturities Subject to Optional Redemption.** The Maturities that mature in the year[s] 20\_\_ are the only Maturities that are subject to optional redemption before maturity and have an Initial Offering Price or Sale Price, as applicable, that exceeds their stated redemption price at maturity by more than one fourth of 1% multiplied by the product of their stated redemption price at maturity and the number of complete years to their first optional redemption date. Accordingly, in computing the Yield on the Issue stated in paragraph (2), each such Maturity was treated as retired on its optional redemption date or at maturity to result in the lowest yield on that Maturity. No Maturity is subject to optional redemption within five years of the Issuance Date of the Issue.

(8) **No Stepped Coupon Maturities.** No Maturity bears interest at an increasing interest rate.
