- Maumee Riverfront Plan
- Connecting the Pieces Neighborhood Plan

STAFF ANALYSIS

The request is a Zone Change from IG-General Industrial and CS-Storefront Commercial to POS-Parks & Open Space at a portion of 0 Front Street (part of Parcel #18-77482). The requested Zone Change will facilitate the redevelopment of International Park. Surrounding land uses include undeveloped land, International Park, and The Docks Restaurants to the north and west, and single family homes, auto repair, used auto sales, and warehouses to the south and east.

The applicant, the Metropolitan Park District of the Toledo Area (Metroparks Toledo), is requesting the Zone Change as part of the redevelopment of International Park. The redevelopment of International Park is part of the greater Glass City Riverwalk project, which aims to provide public parks and trails along both sides of the Maumee River. The City of Toledo currently owns International Park, and the subject parcel for which the Zone Change is requested runs along the east side of the park. On April 21, 2020, Toledo City Council passed Ord. 147-20, a development and option agreement with Metroparks Toledo for the sale and conveyance of International Park, and Metroparks Toledo has the approval of the City to apply for the Zone Change. The parcel is Zoned IG-General Industrial as it was the location of a rail line. Its current use is a multiuse path, developed as part of a “Rails-to-Trails” project. Preliminary plans show the multiuse path staying, with various paths branching off and into the park.

Prior to development, the applicant shall apply for a Special Use Permit. Active community recreation (i.e. parks with infrastructure) require an approved Special Use Permit in all Zoning Districts. The Special Use Permit shall be obtained prior to construction.

Connecting the Pieces Plan

The Connecting the Pieces Plan was approved in 2008, and provides a vision for the neighborhoods of Garfield Heights, the Marina District, the Main/Starr Business District, and International Park. The Plan recommends that International Park be improved with benches, rest ways, and picnic tables installed along riverfront walkways and bike paths. It also calls on beautifying the park for surrounding neighbors to enjoy. The proposed Zone Change and the Glass City Riverwalk project are both compatible with the Connecting the Pieces Plan.

Toledo 20/20 Comprehensive Plan

The Toledo 20/20 Comprehensive Plan targets this site for Parks and Open Space. This District is intended to preserve and enhance major open space and recreational areas. The District may also be applied to privately-owned open space areas within residential developments. Includes parks, golf courses, racetracks, marinas, and other areas containing recreational open space and facilities. The proposed Vacation complies with the 20/20 Plan.

STAFF ANALYSIS (cont'd)

Toledo 20/20 Comprehensive Plan (cont'd)

Staff recommends approval of the Zone Change from IG-General Industrial and CS-Storefront Commercial to POS-Parks & Open Space at 0 Front Street (part of Parcel #18-77482) because the proposed POS-Parks and Open Space Zoning is consistent with the Comprehensive Plan, Connecting the Pieces Neighborhood Plan, and the stated purpose of the Zoning Code. Additionally, the physical suitability of the subject site and the uses permitted under the proposed Zone Change are compatible with uses in the proposed zoning classification.

PLAN COMMISSION RECOMMENDATION

The Toledo City Plan Commission recommends approval of Z-10003-22, a request for a Zone Change from IG-General Industrial and CS-Storefront Commercial to POS-Parks & Open Space at 0 Front Street (part of Parcel #18-77482) for the following two (2) reasons:

1. The proposed rezoning is consistent with the Comprehensive Plan and the stated purpose of the Zoning Code (TMC§1111.0606(A) – *Review & Decision-Making Criteria*).
2. The physical suitability of the subject site and the uses permitted under the proposed Zone Change are more compatible than uses in the existing zoning classification (TMC§1111.0606(D) – *Review & Decision-Making Criteria*).

Respectfully Submitted,

Thomas C. Gibbons
Secretary
