Amr S. Elaskary
Manager

*Assurance Services
Government Industry Group
Not-for-Profit Industry Group*

PRACTICE SUMMARY:

Amr Elaskary, CPA, CFE, is a University of Toledo graduate with a Bachelor's Degree and a Master's Degree in Accountancy and Finance. Amr started his career working for a big four CPA firm in the Toledo area. Amr served multiple fortune 500 clients with annual revenue up to \$152 billion with very complex accounting rules and requirements. At CSH, Amr performs audit procedures under yellow books and single audit requirements for government agencies, not-for-profit organizations, and affordable housing with HUD compliance requirements.

In addition, Amr is a Certified Fraud Examiner. He has dedicated his career to fighting against fraud by being a member of the Association of Certified Fraud Examiners (ACFE) after completing the examination and all the professional requirements of experience and skills. Amr works with clients to extract and analyze data from various technology platforms as a tool for investigation of possible fraud and uses his knowledge and skills in early detection of fraud to prevent future harm. Amr provides these services to businesses in all industries and specialties and assists businesses in determining effective internal control structures to prevent and detect instances of occupational fraud.
