

## **DPS Willy's Park Pool Restoration - \$350,000**

**March 24, 2020**

- Willy's Park Pool is one of the most popular and heavily utilized pools run by the City of Toledo
- Leaks have developed in the pool lining, and the cement decking has cracked and become uneven, creating tripping hazards
- This restoration project will reduce water usage by eliminating leaks, and provide a safer, more enjoyable experience for visitors by eliminating tripping hazards
- \$350,000 has been allocated in the 2020 CIP Parks Fund budget
