

Toledo Refining LLC, Water Agreement

Bullet Points

- The City of Toledo and the City of Oregon has entered into an Agreement providing a specialized water rate to Clean Energy, LLC in 2017.
- The rate modification will be similar to the agreement with Clean Energy, LLC.
- Toledo Refining Company LLC is the largest industrial customer serviced by the Department of Public Utilities.
- The proximity to the Water Treatment requires minimal support for service from Water Distribution.
- The change in oil production within the United States has caused financial concerns for the plant.
