RE: Support for Closure and Removal of Summit Street Pedestrian Bridge

Toledo City Council:

Please accept this letter of support for the City's request to close and remove the pedestrian bridge over Summit Street connecting 3 Seagate to 300 Madison. We understand that removal of the bridge is necessary in order to facilitate the \$10 million reconstruction of Summit Street from Lafayette Street to Jackson Street.

Although the owner of real property that will be directly impacted by the closure and removal of the pedestrian bridge, the Toledo-Lucas County Port Authority understands the importance of the project and hereby expresses its support.

We sincerely appreciate your support and continued efforts to enhance Downtown Toledo.

Sincerely,
Toledo-Lucas County Port Authority
