Experience

Community Relations and Vocational Specialist

The Sight Center of Northwest Ohio — Toledo, Ohio | September 2022–Present

- Co-organized the center’s 100-year celebration dinner and produced a centennial-themed program with integrated video and audio.
- Researched organizational history and created 100 historical videos featuring interviews.
- Designed and executed a fully accessible low-vision art exhibit with integrated QR-activated audio description for all pieces.
- Provides job development services by assessing client strengths, building skills, and identifying employment opportunities aligned with their goals.
- Supports planning and execution of fundraising events and represents the agency at public events.
- Trains volunteers and new staff in proper human-guide techniques.
- Manages the organization’s WordPress website and maintains social media accounts (Facebook, YouTube, LinkedIn). Writes and edits the monthly e-newsletter.

Community Employment Specialist

Goodwill Industries of Northwest Ohio— Toledo, Ohio | August 2021- September 2022

- Counseled clients to attain and retain employment in the community.
- Assisted with skill assessments and resume development.
- Met regularly with clients to guide job applications and track progress.
- Ensured all services met CARF (Commission on Accreditation of Rehabilitation Facilities) standards.

Commercial Content Manager

iHeartMedia—Toledo, Ohio | November 2014-August 2021

- Coordinated all commercial copy for 14 radio stations in two markets.
- Collaborated with the business department to ensure logistics of Co-Op invoicing requirements.
- Identified multifaceted parameters to ensure accurate order entry for successful programming outcomes.
- Utilized multiple software daily- including Viero, Enterprise, and online-based scheduling programs.

Audio Description Project

Neutral Access is Not Full Access: A Call for Reflective Access in Audio Description

The University of Toledo, 2025
