HOPE Toledo Pre-K

A Comprehensive, Community-Based
Approach to Early Childcare and Education
in Toledo

HOPE
TOLEDO

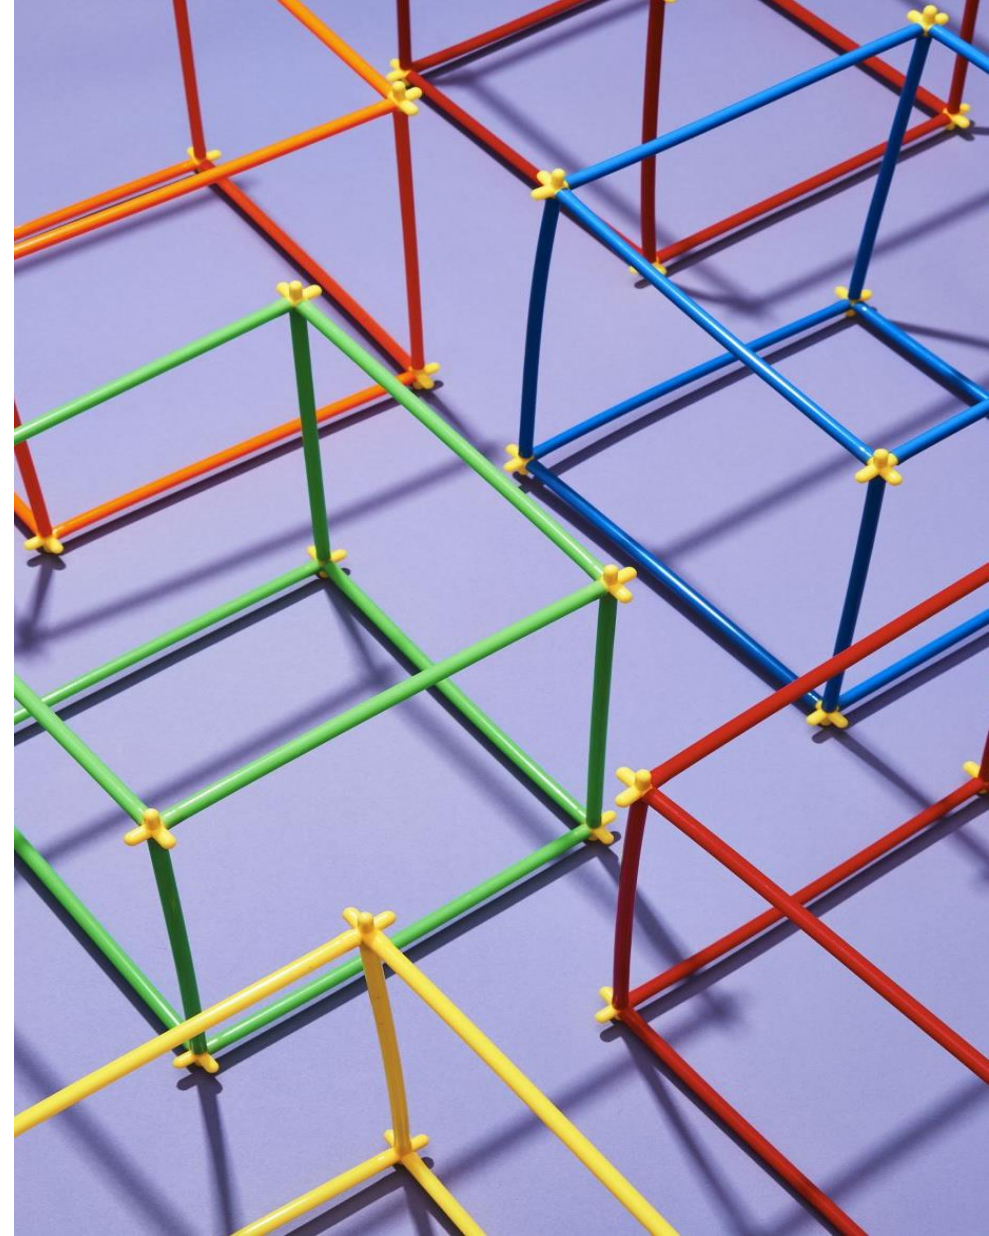

GOAL

Ensure kindergarten
readiness and subsequent
successful school
performance of Toledo
children.

Quality Support Strategies

- 12 months, 6 core learning hours
- Reduced ratios
- Teacher qualifications and compensation
- Culturally competent Curriculum
- Teacher and administrator coaching
- Parent engagement
- Pre-K to Kindergarten transition
- Business coaching & T/A

Quality Support Strategies: Mental Health

ACEs:

Adverse Childhood Experiences are potentially traumatic events that occur before a child reaches the age of 18.

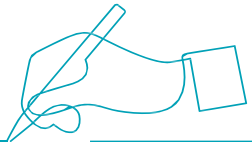

ACEs can follow an intergenerational pattern. According to a CDC and Kaiser Permanente study, there is a link between ACEs and a higher likelihood of negative health and behavior outcomes.

SUSTAINABILITY + TECHNOLOGY

Making Business Leadership Real:
The Role of Automation

October, 2019

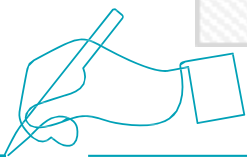

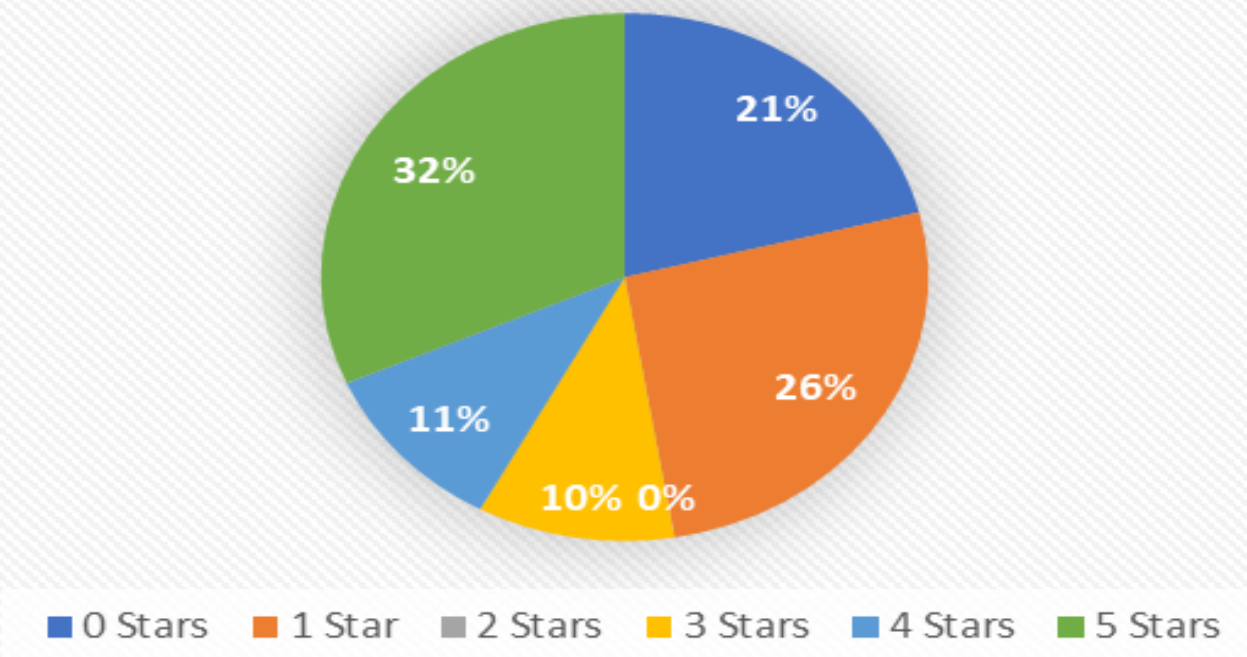

Success requires an intentional plan to guide a relationship between software vendor, Hub and participating providers.

Strategic use of Automation is crucial top provider sustainability and a huge opportunity for better matching of supply + demand

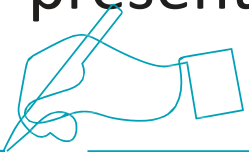

Shared Services Alliance

Step Up to Quality Participation Levels by Provider

Purpose of Affiliate Provider Relationships

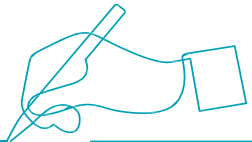

1. To continue to build on our focus of creating a comprehensive community-based approach to childcare in our community.
2. To align with Providers who want to be a part of HOPE Toledo, but for one reason or another did not participate during this demonstration year (most because of capacity).
3. To gives Providers time to respond to the full HOPE standards so they will be ready for 2022-2023 (Year #2...beyond the demonstration!) when the opportunity to potentially become a Partner Provider presents itself.
