

**CLOSED CAPTIONS
ARE REQUIRED** —————■

Let's make the city of Toledo a more welcoming and disability-friendly place.

As of last year, **all places of public accommodation in Toledo are required to have closed captioning** on any TVs located in the building. This includes businesses, schools, restaurants, recreation facilities, healthcare offices, and entertainment venues.

Make sure you're in compliance! Learn more at:

toledo.oh.gov/closed-captions
