

DPU 2020 CIP and Special Assessment Sidewalk Program

Bullet Points Resolution

- **This ordinance is necessary to appropriate and expend funds that the city will receive through the general obligation bond issue.**
- The City will spend \$2,232,000 on the 2020 Sidewalk program. \$1,232,000 is assessed to the property owner and \$1,000,000 is the City's responsibility for sidewalk raised by roots and the installation of pedestrian ramps adjacent to properties where work is being performed. This will come out of the Capital Improvement Program Fund.
- Funding to be allocated based on sidewalk condition
- Final locations determined
