

DPS 2020 SBH Wheel Loader \$97,000

- Up until this year, complaints regarding garbage dumped in the right-of-way has been given to the Department of Neighborhoods to pick up. In 2021, this program has been transferred to SBH
- A large number of backlogged complaints exist in CityWorks, logged in by Engage Toledo
- Purchase of a new compact wheel loader will enhance the program to be able to increase productivity to the level needed to deplete any backlog complaint
- SBH would like to purchase the compact wheel loader from Rudd Equipment THROUGH Sourcewell, who has solicited the competitive bid at a reduced government price
