

IMA of Toledo and Vicinity
Interdenominational Ministerial Alliance of Toledo and Vicinity

March 8, 2019

To. Councilwomen Harper , District #4 , Toledo City Council

On behalf of the officers and membership of the Interdenominational Ministerial Alliance of Toledo & Vicinity, I am writing this letter to share with you and members of the Council to clarify our unanimously consensus and concern of the proposed ordinance present at our regular meeting by Councilwomen-at- large Adams on Monday, March 04, 2019. We

cannot

support the ordinance in its current form, because we believe the ordinance lacks compatible vision in the areas of youth opportunities in mentoring and constructive coaching consistent with the mission and goals of National Alliance for Youth Sports.

We suggest a public hearing for youth, parents and current coaches wishing to continue mentoring and coaching Toledo's diverse youth populations. We will provide Toledo City Council and the Mayor's office with a comprehensive report prepared by the IMA Civic Committee on these matters.

Sincerely,

Rev. Le Roy A. Williams, Executive Secretary IMA
