ENERGY PROJECT COOPERATIVE AGREEMENT

THIS ENERGY PROJECT COOPERATIVE AGREEMENT (the “Agreement”) is made and entered into as of [August 25], 2020 (the “Closing Date”), among the TOLEDO, OREGON, MAUMEE, NORTHWOOD, PERRYSBURG, SYLVANIA, WHITEHOUSE, TOWNSHIP OF MONCLOVA, TOWNSHIP OF SPRINGFIELD, TOWNSHIP OF SWANTON, TOWNSHIP OF SYLVANIA, OHIO ADVANCED ENERGY IMPROVEMENT CORPORATION, doing business under the registered trade name NORTHWEST OHIO ADVANCED ENERGY IMPROVEMENT DISTRICT, a nonprofit corporation and special improvement district duly organized and validly existing under the laws of the State of Ohio (the “State”) (the “ESID”), CLOCK TOWER CAPITAL, LLC a limited liability company duly organized and validly existing under the laws of the State (the “Owner”), INLAND GREEN TRUST, a Delaware statutory trust qualified to do business in the State of Ohio (the “Investor”), and the CITY OF TOLEDO, OHIO a municipal corporation duly organized and validly existing under the constitution and laws of the State (the “City”) (the capitalized terms used in this Agreement and not defined in the preamble and recitals have the meanings stated in **Exhibit A** to this Agreement):

A. The ESID was created under Ohio Revised Code Chapters 1702 and 1710 and established pursuant to Resolution No. 207-11 of the City Council of the City (the “Council”), approved on May 18, 2011. Pursuant to the same action, the “Initial Plan For the Improvements, Services, and Operation of the Toledo Ohio Advanced Energy Improvement District” (as amended and supplemented from time to time, the “Plan”) was adopted as a plan for public improvements and public services under Ohio Revised Code Section 1710.02(F).

B. The ESID is an energy special improvement district and nonprofit corporation duly organized and validly existing under the laws of the State to further the public purpose of implementing special energy improvement projects pursuant to the authority in Ohio Revised Code Chapter 1710 and Article VIII, Section 2o of the Ohio Constitution.

C. On [August 11], 2020, by its Resolution [_____], the Council approved the Petition for Special Assessments for Special Energy Improvement Projects (the “Petition”) and Supplemental Plan submitted by the Owner to the City, together with the Supplemental Plan (the “Supplemental Plan”), as a supplement to the Plan.

D. Pursuant to the Plan, the ESID, among other services, shall assist property owners, whether private or public, who own real property within participating political subdivisions to obtain financing for special energy improvement projects.

E. In order to obtain financing for special energy improvement projects and to create special assessment revenues available to pay and repay the costs of special energy improvement projects, the Petition requested that the Council levy Special Assessments against the Owner’s property as more fully described in the Supplemental Plan.

F. The ESID, the Owner, the Investor, and the City (collectively the “Parties,” and each, a “Party”) each have determined that the most efficient and effective way to implement the financing, acquisition, installation, equipment, and improvement of energy special improvement

projects and to further the public purposes set forth above is through this Agreement, pursuant to the Special Assessment Act and on the terms set forth in this Agreement, with (i) the Investor providing the Project Advance to finance the costs of the special energy improvement projects described in the Supplemental Plan, (ii) the ESID and the Owner cooperating to acquire, install, equip and improve special energy improvement projects, (iii) the Owner agreeing to make Special Assessment payments in an aggregate amount that will provide revenues sufficient to pay or repay the permitted costs of the special energy improvement projects, (iv) the City agreeing to assign and transfer all Special Assessment payments actually received by the City to the Investor to repay the Project Advance; and (v) the ESID agreeing to assign, transfer, and set over to the Investor any of its right, title, or interest in and to the Special Assessments which it may have by operation of law, this Agreement, or otherwise; provided that a portion of the Special Assessments may be retained by, or be payable to, the City or the ESID, all pursuant to and in accordance with this Agreement.

G. The Parties each have full right and lawful authority to enter into this Agreement and to perform and observe its provisions on their respective parts to be performed and observed, and have determined to enter into this Agreement to set forth their respective rights, duties, responsibilities, obligations, and contributions with respect to the implementation of special energy improvement projects within the ESID.

NOW, THEREFORE, in consideration of the promises and the mutual representations, warranties, covenants, and agreements contained in this Agreement, and good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows; provided, that any obligation of the ESID created by or arising out of this Agreement never shall constitute a general obligation, bonded indebtedness, or a pledge of the general credit of the ESID, or give rise to any pecuniary liability of the ESID, but any such obligation shall be payable solely from the Special Assessments actually received by the ESID, if any; and provided, further, that any obligation of the City created by or arising out of this Agreement never shall constitute a general obligation, bonded indebtedness, or a pledge of the general credit of the City, or give rise to any pecuniary liability of the City, but any such obligation shall be payable solely from the Special Assessments actually received by the City, if any:

ARTICLE I: DEFINITIONS

Section 1.1. Use of Defined Terms. In addition to the words and terms defined elsewhere in this Agreement or by reference to another document, words and terms used in this Agreement shall have the meanings set forth in **Exhibit A** to this Agreement unless the context or use clearly indicates another meaning or intent. Definitions shall apply equally to both the singular and plural forms of any of the words and terms. Words of any gender include the correlative words of the other gender, unless the sense indicates otherwise.

Section 1.2. Interpretation. Any reference in this Agreement to the ESID, the ESID Board, the Owner, the City, the Council, the Investor, or to any member or officer of any of the foregoing, includes entities or officials succeeding to their respective functions, duties or responsibilities pursuant to or by operation of law or lawfully performing their functions.

Any reference to a section or provision of the Constitution of the State or the Special Assessment Act, or to a section, provision or chapter of the Ohio Revised Code or any other legislation or to any statute of the United States of America, includes that section, provision, or chapter as amended, modified, revised, supplemented, or superseded from time to time; provided, however, that no amendment, modification, revision, supplement, or superseding section, provision, or chapter shall be applicable solely by reason of this provision if it constitutes in any way an impairment of the rights or obligations of the Parties under this Agreement.

Section 1.3. Captions and Headings. The captions and headings in this Agreement are solely for convenience of reference and in no way define, limit, or describe the scope or intent of any of this Agreement's Articles, Sections, subsections, paragraphs, subparagraphs or clauses.

ARTICLE II: COOPERATIVE ARRANGEMENTS; ASSIGNMENT OF SPECIAL ASSESSMENTS

Section 2.1. Agreement Between the City, the ESID, and the Investor. The Owner and the ESID have requested the assistance of the Investor and the City in the financing of special energy improvement projects within the ESID. For the reasons set forth in this Agreement's Recitals—which Recitals are incorporated into this Agreement by this reference as a statement of the public purposes of this Agreement and the intended arrangements among the Parties—the City and the ESID have requested the assistance and cooperation of the Investor in the collection and payment of Special Assessments in accordance with this Agreement. The Parties intend this Agreement to be, and it shall be, an agreement among the Parties to cooperate in the financing, acquisition, installation, equipment, and improvement of “special energy improvement projects,” pursuant to Ohio Revised Code Chapter 1710, and as that term is defined in Ohio Revised Code Section 1710.01(I). The Parties intend this Agreement's provisions to be, and they shall be construed as, agreements to take effective cooperative action and to safeguard the Parties' interests.

Upon the considerations stated above and upon and subject to the terms and conditions of this Agreement, the Investor, on behalf of the Parties, shall make the Project Advance available to the Owner to pay the costs of the Project. The City and the ESID shall assign, transfer, set over, and pay the Special Assessments actually received by the City or the ESID, respectively, to the Investor, to pay the costs of the Project at the times and in the manner provided in this Agreement; provided, however, that the City, the ESID, and the Investor intend that the City shall receive all Special Assessments from the County Treasurer and shall transfer, set over, and pay all Special Assessments received from the County Treasurer directly to the Investor. The City, the ESID, and the Investor further intend and agree that the Investor shall pay to the ESID, out of the Special Assessments received by the Investor, a semi-annual ESID Fee; provided, however, that if the amount of Special Assessments received by the Investor in any year are insufficient to pay the principal of, and interest on the Project Advance due in that year and the semi-annual ESID Fee, the Special Assessments received shall first be applied to the payment of the semi-annual ESID Fee, then to the payment of interest on the Project Advance, and then to the repayment of the principal of the Project Advance.

Notwithstanding anything in this Agreement to the contrary, any obligations of the City under this Agreement, including the obligation to transfer the Special Assessments received by the City to the Investor, shall be a special obligation of the City and shall be required to be made only from Special Assessments actually received by or on behalf of the City, if any. The City's obligations under this Agreement are not and shall not be secured by an obligation or pledge of any moneys raised by taxation. The City's obligations under this Agreement do not and shall not represent or constitute a debt or pledge of the City's faith and credit or taxing power, and the ESID, the Owner, and the Investor do not have and shall not have any right to have taxes levied by the City for the transfer of the Special Assessments.

Section 2.2. Special Assessments; City Transfer of Special Assessments.

- (a) The Special Assessment Proceedings. The City has taken all necessary actions required by the Special Assessment Act to levy and collect the Special Assessments on the Property.

Pursuant to Ohio Revised Code Section 727.33, the City has certified the Special Assessments to the County Auditor for collection, and the County Auditor shall collect the unpaid Special Assessments with and in the same manner as other real property taxes and pay the amount collected to the City. The Parties intend that the County Auditor and the County Treasurer shall have the duty to collect the Special Assessments through enforcement proceedings in accordance with applicable law.

- (b) Collection of Delinquent Special Assessments. The ESID and the Investor are hereby authorized to take any and all actions as assignees of and, to the extent required by law, in the name of, for, and on behalf of, the City to collect delinquent Special Assessments levied by the City pursuant to the Special Assessment Act and to cause the lien securing the delinquent Special Assessments to be enforced through prompt and timely foreclosure proceedings, including, but not necessarily limited to, filing and prosecution of mandamus or other appropriate proceedings to induce the City to certify installments of the Special Assessments to the County Auditor and to induce the County Prosecutor, the County Auditor, and the County Treasurer, as necessary, to institute such prompt and timely foreclosure proceedings. The proceeds of the enforcement of any such lien shall be deposited and used in accordance with this Agreement.

- (c) Prepayment of Special Assessments. The Parties agree that the Special Assessments assessed against the Property and payable to the City pursuant to the Special Assessment Act may be prepaid to the Investor by the Owner in accordance with Section 4.7 of this Agreement. Except as set forth in this Section 2.2(c) and Section 4.7 of this Agreement, the Owner shall not prepay any Special Assessments. Notwithstanding the foregoing, if the Owner attempts to cause a prepayment of the Special Assessments by paying to the City or to the County Treasurer, as applicable, any amount as a full prepayment of Special Assessments, and if the City shall have knowledge of the same, the City immediately shall notify the Investor, and, unless provided the express written consent of the

Investor, the City shall not cause any reduction in the amount of Special Assessments. Except as specifically provided in this Agreement to the contrary, no other action pursuant to any provision of this Agreement shall abate in any way the payment of the Special Assessments by the Owner or the transfer of the Special Assessments by the City to the Investor.

- (d) Reduction of Special Assessments. The Parties agree that the Special Assessments may be subject to reduction, but only upon the express written consent or instruction of the Investor. If the Owner causes the Special Assessments to be prepaid in full in accordance with Sections 2.2(c) and 4.7 of this Agreement, then upon the City's receipt of the Investor's express written consent or instruction, the City shall take all necessary action to cause a reduction in the amount of Special Assessments collected such that, following such reduction, the amount of Special Assessments remaining to be paid shall be equal to the amounts necessary to pay, as and when due, the remaining outstanding principal of the Project Advance, together with interest at the annual rate of 6.99%, and a semi-annual ESID Fee due to the ESID. Without limiting the generality of the foregoing, following the certification of installments of the Special Assessments to the County Auditor, the City's obligation in the previous sentence to cause a reduction in the Special Assessments may include certifying to the County Auditor, prior to the last date in the then-current tax year on which municipal corporations may certify special assessments to the County Auditor, the necessary reduction. The Parties acknowledge and agree that if any installments of the Special Assessments are certified to the County Auditor for collection, the County Auditor may calculate, charge, and collect a collection fee on each semi-annual installment of the Special Assessments in an amount to be calculated, charged, and collected by the County Auditor pursuant to Ohio Revised Code Section 727.36, which fee is in addition to the amount of the Special Assessments and other related interest, fees, and penalties. Notwithstanding anything in this Agreement to the contrary, the City shall not cause any reduction in the amount of Special Assessments without the prior written consent or instruction of the Investor.
- (e) Assignment of Special Assessments. The City agrees that it shall establish its funds for the collection of the Special Assessments as separate funds maintained on the City's books and records and to be held in the custody of a bank with which the City maintains a depository relationship. The City hereby assigns to the Investor all of its right, title and interest in and to: (i) the Special Assessments and any Delinquency Amounts received by the City under this Agreement, (ii) the City's special assessment funds established for the Project, and (iii) any other property received or to be received from the City under this Agreement. The City further shall transfer, set over, and pay the Special Assessments and any Delinquency Amounts to the Investor in accordance with this Agreement. The ESID acknowledges and consents to the City's assignment of the Special Assessments and any Delinquency Amounts to the Investor. The Parties agree that each of the City, the ESID, and the Investor, as assignee of the Special Assessments and any Delinquency Amounts, is authorized to take any and all

actions, whether at law, or in equity, to collect delinquent Special Assessments levied by the City pursuant to law and to cause the lien securing any delinquent Special Assessments to be enforced through prompt and timely foreclosure proceedings, including, but not necessarily limited to, filing and prosecution of mandamus or other appropriate proceedings to induce the County Prosecutor, the County Auditor, and the County Treasurer, as necessary, to institute such prompt and timely foreclosure proceedings. The Parties acknowledge and agree that the Investor intends that amounts collected by the County, the City, or the ESID in respect of the Special Assessments (including any Delinquency Amounts) that are payable to the Investor are “special revenues” as defined in Section 902(2) of the United States Bankruptcy Code.

- (f) Transfer of Special Assessments. The Parties anticipate that the semi-annual installments of the Special Assessments and Delinquency Amounts will be paid to the City by the County Auditor and the County Treasurer in accordance with Ohio Revised Code Chapters 319, 321, 323, and 727.

Payment of the Special Assessments and Delinquency Amounts to the Investor shall be made as described in this paragraph. Immediately upon receipt of any moneys received by the City as Special Assessments and Delinquency Amounts, but in any event not later than 21 calendar days after the receipt of such moneys and, if applicable, the corresponding final settlement from the County Auditor, the City shall deliver to the Investor all such moneys received by the City as Special Assessments and Delinquency Amounts, by ACH or check as determined in the sole discretion of the City; provided, however, that if the amount of Special Assessments and Delinquency Amounts received by the City in any year are insufficient to pay the principal of, and any interest on the Project Advance due in that year and the ESID Fee, the Special Assessments and Delinquency Amounts received shall first be applied to payment of the semi-annual ESID Fee, then to the payment of interest on the Project Advance, and then to the repayment of the principal of the Project Advance.

The Investor shall provide the City with account and payment information in the form of **Exhibit I** on the date on which this Agreement becomes effective. The Investor may from time to time provide updated written account and payment information in the form of **Exhibit I** to the City for the payment of Special Assessments and Delinquency Amounts, but the City shall maintain its right to send the special assessments by ACH or check in its sole discretion.

If at any time during the term of this Agreement following the certification of any installments of the Special Assessments to the County Auditor, the County Auditor agrees, on behalf of the City, to disburse the Special Assessments and Delinquency Amounts to the Investor pursuant to instructions or procedures agreed upon by the County Auditor and the City, then, upon each transfer of an installment of the Special Assessments and Delinquency Amounts from the County Auditor to the Investor, the City shall be deemed to have satisfied all of its

obligations under this Agreement to transfer that installment of the Special Assessments or any Delinquency Amounts to the Investor.

- (g) Repayment of Project Advance. Within fifteen (15) Business Days after the Investor receives each Special Assessment installment (or portion thereof) as shown on the Repayment Schedule attached hereto and incorporated herein as **Exhibit B**, the Investor shall pay to the ESID an amount equal to the semi-annual ESID Fee; provided, that if amounts received by the Investor as Special Assessments with respect to the applicable date on the Repayment Schedule are insufficient to pay all or any portion of the semi-annual ESID Fee due with respect to that date, the Investor shall have no obligation to pay to the ESID any amount in excess of the amount received as Special Assessments with respect to that date. The Investor further shall credit, on the dates shown on the Repayment Schedule, Special Assessments in the amounts shown on the Repayment Schedule to the payment of accrued interest on the Project Advance scheduled to be paid on such date (or such lesser amount as may be available after the payment of the semi-annual ESID Fee) and to the repayment of the portion of the principal of the Project Advance scheduled to be repaid on such date (or such lesser amount as may be available from the Special Assessments on the applicable date after the payment of the semi-annual ESID Fee and the payment of accrued interest on the Project Advance scheduled to be paid on such date). The Parties acknowledge and agree that the County Auditor may calculate, charge, and collect a fee on each semi-annual installment of the Special Assessments pursuant to Ohio Revised Code Section 727.36, which fee is in addition to the amount of the Special Assessments and other related interest, fees, and penalties, and that such fee shall be paid to the County Auditor with the Special Assessments, and that the County Auditor will retain such fee.

Section 2.3 Obligations Unconditional; Place of Payments. The City's obligation to transfer or cause the transfer of the Special Assessments and any Delinquency Amounts to the Investor under Section 2.2 of this Agreement shall be absolute and unconditional, and the City shall make or cause such transfers without abatement, diminution, or deduction regardless of any cause or circumstance whatsoever, including, without limitation, any defense, set-off, recoupment, or counterclaim which the City may have or assert against the Investor, the ESID, or the Owner; provided, however, that the City's obligation to transfer or cause the transfer of the Special Assessments and any Delinquency Amounts is limited to the Special Assessments and any Delinquency Amounts actually received by or on behalf of the City, and nothing in this Agreement shall be construed to obligate the City to transfer or pledge, and the City shall not transfer or pledge any special assessments not related to the ESID or any City funds.

Section 2.4 Appropriation by the City; No Further Obligations. Upon the Parties' execution of this Agreement, all of the Special Assessments and any Delinquency Amounts received or to be received by the City shall be deemed to have been appropriated to pay the City's obligation under this Agreement to pay to the Investor all Special Assessments and any Delinquency Amounts received by the City. During the years during which this Agreement is in effect, the City shall take such further actions as may be necessary or desirable in order to appropriate the transfer of the Special Assessments and any Delinquency Amounts actually

received by the City in such amounts and at such times as will be sufficient to enable the City to satisfy its obligation under this Agreement to pay to the Investor all Special Assessments and any Delinquency Amounts received by the City; provided that the City shall not be responsible for the costs and expenses of any collection or enforcement actions, except to the extent of any Special Assessments and any Delinquency Amounts actually received by the City; and provided further that nothing in this paragraph shall be construed as a waiver of the City's right to be indemnified pursuant to Section 6.4 of this Agreement or pursuant to the Special Assessment Agreement. The City has no obligation to use or apply to the payment of the Special Assessments and any Delinquency Amounts any funds or revenues from any source other than the moneys received by the City as Special Assessments and any Delinquency Amounts; provided, however, that nothing in this Agreement shall be deemed to prohibit the City from using, to the extent that it is authorized to do so, any other resources for the fulfillment of any of this Agreement's terms, conditions, or obligations.

Section 2.5 Security for Advanced Funds. To secure the transfer of the Special Assessments and any Delinquency Amounts by the City to the Investor, and in accordance with the Special Assessment Act, the ESID hereby assigns, transfers, sets over, and shall pay all of its right, title, and interest in and to the Special Assessments and any Delinquency Amounts related to the ESID, less the semi-annual ESID Fee, actually received by or on behalf of the City to the Investor. The Owner and the City agree and consent to that assignment.

Section 3.4. The Owner’s Additional Agreements. The Owner agrees that:

- (a) It shall not transfer or convey any right, title, or interest, in or to the Property and the Project, except after giving prompt notice of any such transfer or conveyance to the Investor and subject to Section 3.4(b) of this Agreement; provided, however, that the foregoing restrictions shall not apply to the grant or conveyance of any leasehold interests, mortgage interest, or lien interest, except as may be otherwise provided in this Agreement. Before or simultaneous with any such transfer or conveyance, the Owner shall (i) execute, cause the transferee or purchaser to execute, and deliver to the Investor, the City, and the ESID a fully executed “Assignment and Assumption of Energy Project Cooperative Agreement” in the form attached to, and incorporated into, this Agreement as **Exhibit H**; (ii) execute, cause the transferee or purchaser to execute, and deliver to the Investor, an assignment of all construction contracts related to the Project; and (iii) pay all reasonable legal fees and expenses of PACE Counsel associated with legal services performed to facilitate such assignment upon receipt of an invoice from PACE Counsel. The Parties acknowledge and agree that the Assignment and Assumption of Energy Project Cooperative Agreement includes the assignment and assumption of the Special Assessment Agreement and the Owner Consent.

- (b) As long as the Project Advance is outstanding, it shall not sell, transfer, or otherwise convey its fee ownership interest in any portion of the Property or the Additional Parcels separately from its fee ownership interest in all of the Property and the Additional Parcels.
- (c) It shall pay when due all taxes, assessments, service payments in lieu of taxes, levies, claims and charges of any kind whatsoever that may at any time be lawfully assessed or levied against or with respect to the Property, all utility and other charges incurred in the operation, maintenance, use, occupancy and upkeep of the Property and all assessments and charges lawfully made by any governmental body for public improvements that may be secured by a lien on any portion of the Property. The Owner shall furnish the Investor, upon reasonable request, with proof of payment of any taxes, governmental charges, utility charges, insurance premiums or other charges required to be paid by the Owner under this Agreement. The Parties acknowledge and agree that the foregoing obligation is in addition to the Owner's obligation to pay the Special Assessment.
- (d) It shall not, without the prior written consent of the Investor, cause or agree to the imposition of any special assessments, other than the Special Assessments, on the Property for the purpose of paying the costs of "special energy improvement projects," as that term is defined in Ohio Revised Code Section 1710.01(I), as amended and in effect at the time.
- (e) It shall promptly pay and discharge all claims for labor performed and material and services furnished in connection with the acquisition, installation, equipment, and improvement of the Project.
- (f) Once annually until the Completion Date, the chief financial officer of the Owner shall provide the Investor with a certificate setting forth all sources and uses of funds with respect to the Project.
- (g) It promptly shall notify the Investor of any material damage or destruction to the Project.
- (h) Upon the reasonable request of the Investor, it shall take any actions and execute any further certificates, instruments, agreements, or documents as shall be reasonably necessary in connection with the performance of this Agreement and with the transactions, obligations, and undertakings contained in this Agreement.
- (i) It shall not cause the Property to be subdivided, platted, or otherwise separated into any additional parcels in the records of the County Auditor without the Investor's consent.
- (j) It does not and will not engage in operations that involve the generation, manufacture, refining, transportation, treatment, storage or handling of hazardous materials or hazardous wastes, as defined in applicable state law, or any other federal, state or local environmental laws or regulations, and neither the Property nor any other of its premises has been so used previously, in each case, except as

previously disclosed in writing to the Investor. There are no underground storage tanks located on the Property. There is no past or present non-compliance with environmental laws, or with permits issued pursuant thereto, in connection with the Property, which has not been fully remediated in accordance with environmental laws. There is no environmental remediation required (or anticipated to be required) with respect to the Property, except as previously disclosed in writing to the Investor. The Owner does not know of, and has not received, any written or oral notice or other communication from any person (including but not limited to a governmental entity) relating to hazardous substances or remediation of hazardous substances, of possible liability of any person pursuant to any environmental law, other environmental conditions in connection with the Property, or any actual or potential administrative or judicial proceedings in connection with the foregoing.

ARTICLE IV: PROJECT ADVANCE; CONSTRUCTION OF PROJECT; REPAYMENT

Section 4.1. Project Advance. The Investor has made available to the Owner the Project Advance in the amount of \$437,444.75. The Investor shall retain a portion of the total Project Advance equal to \$8,153.97 to pay capitalized interest on the Project Advance. The Investor shall pay the remainder of the Project Advance to the Disbursing Agent, which shall hold the amount received in a segregated account established in the custody of the Disbursing Agent for the benefit of the Investor, which account shall be referred to as the "Project Account." Subject to the terms and conditions of this Agreement, the Disbursing Agent, upon the direction of the Investor, shall disburse amounts on deposit in the Project Account to the Owner or to such parties as may be named by the Owner in order to pay the costs of the Project.

If the Project Advance is insufficient to pay the costs of the Project pursuant to this Agreement, the Owner, nevertheless, shall complete the acquisition, installation, equipment, and improvement of its Project, and the Owner shall pay all such additional costs of its Project from its own funds. The Owner shall not be entitled to reimbursement for any such additional costs of its Project, nor shall it be entitled to any abatement, diminution, or postponement of the Special Assessments. If the cost of construction of the Project or any portion thereof materially exceeds the costs set forth in the approved budget, then the Owner shall immediately deposit with the Investor an amount equal to the deficiency between such budgeted cost and the actual cost.

Section 4.2. Disbursements. In order to cause disbursement of amounts on deposit in the Project Account to pay or reimburse the costs of the Project, the Owner shall submit Disbursement Request Forms (a form of which is attached to this Agreement as **Exhibit C**) to the Investor, which Disbursement Request Forms each shall, in part, set forth the payments or reimbursements requested, and shall be accompanied by invoices or other appropriate documentation supporting the payments or reimbursements requested. In addition, the following shall occur:

- (a) With each Disbursement Request Form:

- (i) The Owner shall deliver to the Investor, as applicable, proof that each project milestone has occurred and any additional information regarding construction that the Investor reasonably requests;
 - (ii) The Owner shall deliver to the Investor copies of all related receipts and invoices;
 - (iii) The Owner shall deliver to the Investor signed lien waivers in the form attached to the Disbursement Request Form as Schedule 2; and
 - (iv) The Owner shall deliver to the Investor, as necessary, bank information for wiring the amounts requested for disbursement.
- (b) With the first Disbursement Request Form submitted, in addition to the documents required under Section 4.2(a):
- (i) The Owner shall deliver to the Investor copies of all construction permits required for the construction of the Project;
 - (ii) The Owner shall deliver to the Investor copies of all agreements with all subcontractors performing work or furnishing materials for the Project;
 - (iii) The Owner shall deliver to the Investor a construction schedule completed by the general contractor for the Project, which includes an anticipated date of completion of the Project;
 - (iv) The Owner shall deliver to the Investor copies of all current policies of the Required Insurance Coverage;
 - (v) The construction plans and specifications shall have been approved in all respects by the Investor in its sole discretion;
 - (vi) The budget shall have been approved by the Investor in its sole discretion;
 - (vii) The Owner shall deliver to the Investor the written consent of its existing mortgage lender, if any, to the levying, assessment, and collection of the Special Assessments, in the form attached to this Agreement as **Exhibit G**;
 - (viii) The Owner shall provide to the Investor evidence acceptable to the Investor, in its sole discretion, that the Council and the ESID have approved the Project;
 - (ix) The Investor shall receive the executed Special Assessment Agreement and Owner Consent and evidence that the Owner Consent has been recorded in the records of the Recorder of Lucas County, Ohio with respect to the Property;
 - (x) The Owner and the ESID shall provide to the Investor original executed copies of this Agreement and any related certificates;
 - (xi) The Owner shall provide to the Investor a list of authorized representatives on whose instructions and directions the Investor may rely until such time as an updated list has been provided, as set forth in **Exhibit J**, attached hereto; and
 - (xii) The Owner shall deliver to the Investor the Owner's sworn statement and the general contractor's sworn statement.
- (c) With the final Disbursement Request Form, in addition to the documents required under Section 4.2(a):

- (i) The Owner shall deliver to the Investor the final lien waiver and release in the form attached to this Agreement as **Exhibit E**;
- (ii) The Owner shall deliver to the Investor an executed Completion Certificate in the form attached as **Exhibit D** to this Agreement; and
- (iii) The Owner shall deliver to the Investor copies of all completion inspections and closed permits with respect to the Project.

Upon its receipt of each completed Disbursement Request Form, the Investor shall approve all or a portion of the payment or reimbursements requested to be disbursed from the Project Account. To the extent the Investor approves the payment or reimbursements requested to be disbursed from the Project Account, the Investor shall cause the Disbursing Agent to pay the Owner or such other parties as are indicated on the Disbursement Request Form the amounts described on such Disbursement Request Form which have been approved by the Investor.

Additionally, on the Closing Date, the Investor shall disburse or cause the Disbursing Agent to disburse closing costs related to the financing described in this Agreement in an amount not to exceed \$34,446.79 as detailed in **Exhibit F** to this Agreement. Without limiting the generality of the foregoing, disbursements made pursuant to this paragraph may be for fees to the Investor, fees to the ESID, legal fees, fees to the City, and other closing costs or contingencies.

Section 4.3. Casualties and Takings. The Owner shall promptly notify the Investor if the Project is damaged or destroyed by fire, casualty, injury or any other cause (each such occurrence, a "Casualty"). Upon the occurrence of such Casualty, the Owner's Lender, if any, may elect, in its sole discretion and judgment, to restore the Property and the Project or to terminate the construction of the Project, and in either case, to direct the application of the insurance proceeds pursuant to the terms of Owner's Lender's agreement with the Owner, provided that if the insurance proceeds are not used to restore the Property and the Project, insurance proceeds will be distributed first to Owner's Lender pursuant to its agreements with the Owner, and next to the Investor for repayment of the outstanding balance of the Special Assessments and any related fees, and any excess proceeds will be paid to the Owner.

Upon the occurrence of a Casualty, if no Person is a Lender at the time of such Casualty, the insurance proceeds shall be applied to pay the costs of the restoration of the Project or to the repayment of the outstanding balance of the Special Assessments, and in which case the Investor shall remain obligated to cause the Disbursing Agent to make disbursements of up to the total amount of the Project Advance in accordance with this Agreement.

In the event restoration of the Project or the Property is pursued as set forth in the two immediately preceding paragraphs, the Owner shall immediately proceed with the restoration of the Project in accordance with the plans and specifications. If, in the Investor's reasonable judgment, said insurance proceeds are insufficient to complete the restoration, the Owner shall deposit with the Investor or the Disbursing Agent, as directed by the Investor, such amounts as are necessary, in the Investor's reasonable judgment, to complete the restoration in accordance with the plans and specifications.

In the event any part of the Property or the Project shall be taken for public purposes by condemnation as a result of any action or proceeding in eminent domain, or shall be transferred in lieu of condemnation to any authority entitled to exercise the power of eminent domain (a "Taking"), the Owner's Lender, if any, may elect, in its sole discretion and judgment, not to restore the Property or the Project or to restore the Property or the Project, and in either case, to direct the application of the proceeds of the Taking pursuant to the terms of its agreements with the Owner. If the Lender determines not to restore the Property or the Project and release funds related thereto to the Owner, the Investor's obligation to cause the Disbursing Agent to make disbursements under this Agreement shall be terminated. If the Lender determines to restore the Property and the Project, the Owner shall immediately proceed with the restoration of the Project in accordance with the plans and specifications. If, in the Investor's reasonable judgment, the Taking proceeds available to the Owner and the Investor are insufficient to complete the restoration, the Owner shall deposit with the Investor or the Disbursing Agent, as directed by the Investor, such amounts as are necessary, in the Investor's reasonable judgment, to complete the restoration in accordance with the plans and specifications.

In the event that no Person is a Lender at the time of such Taking, the Investor's obligation to make disbursements under this Agreement shall be terminated unless the Property and the Project can be replaced and restored in a manner which will enable the Project to be functionally and economically utilized and occupied as originally intended. If the Property and the Project can be so restored, the Owner shall immediately proceed with the restoration of the Project in accordance with the plans and specifications, and the Investor shall cause the Disbursing Agent to release the funds for such purpose. If, in the Investor's reasonable judgment, the Taking proceeds available to the Owner and the Investor are insufficient to complete the restoration, the Owner shall deposit with the Investor such amounts as are necessary, in the Investor's reasonable judgment, to complete the restoration in accordance with the plans and specifications.

Section 4.4. Eligible Costs. The costs of the Project which are eligible for payment or reimbursement pursuant to this Agreement include the following:

- (a) costs incurred directly or indirectly for or in connection with the acquisition, installation, equipment, and improvement of the Project, including without limitation, costs incurred in respect of the Project for preliminary planning and studies; architectural, legal, engineering, surveying, accounting, consulting, supervisory and other services; labor, services and materials; and recording of documents and title work;
- (b) financial, legal, recording, title, accounting, and printing and engraving fees, charges and expenses, capitalized interest, and all other fees, charges and expenses incurred in connection with the financing described in this Agreement;
- (c) premiums attributable to any surety and payment and performance bonds and insurance required to be taken out and maintained until the date on which the Project is final and complete;

- (d) taxes, assessments and other governmental charges in respect of the Project that may become due and payable until the date on which the Project is final and complete;
- (e) costs, including, without limitation, attorney's fees, incurred directly or indirectly in seeking to enforce any remedy against any contractor or subcontractor in respect of any actual or claimed default under any contract relating to the Project; and
- (f) any other incidental or necessary costs, expenses, fees and charges properly chargeable to the cost of the acquisition, installation, equipment, and improvement of the Project.

Section 4.5. Completion of Project; Inspection. The Owner (a) in accordance with the approved plans and specifications for the Project, which plans and specifications shall not be materially revised without the prior written approval of the Investor, which approval shall not be unreasonably withheld, shall acquire, install, equip, and improve its Project with the Project Advance with all commercially reasonable dispatch, (b) subject to its right to contest any disputed work, shall pay when due all fees, costs and expenses incurred or payable by the Owner in connection with that acquisition, installation, equipment, and improvement from funds made available therefor in accordance with this Agreement or otherwise, and (c) shall ask, demand, sue for, levy, recover and receive all those sums of money, debts and other demands whatsoever which may be due, owing and payable to the Owner under the terms of any contract, order, receipt, writing or instruction in connection with the acquisition, installation, equipment, and improvement of the Project, and shall utilize commercially reasonable efforts to enforce the provisions of any contract, agreement, obligation, bond or other performance security with respect thereto. It is understood that the Project is to be owned by the Owner and any contracts made by the Owner with respect to the Project or any work to be done by the Owner on or with respect to the Project are made or done by the Owner on its own behalf and not as agent or contractor for the ESID.

During the period of acquisition, installation, equipment, and improvement of the Project, the ESID and the Investor, and their respective agents, subject to reasonable security and safety regulations, and upon reasonable prior notice, shall have the right, during normal business hours, to inspect the Project. The ESID and the Investor and their respective agents shall utilize commercially reasonable efforts to minimize interference with the tenants of the Property during any such inspection.

The Owner shall notify the ESID, the City, and the Investor of the Completion Date by a Completion Certificate in the form attached as Exhibit D to this Agreement, signed by the Owner stating: (a) the date on which the acquisition, installation, equipment, and improvement of the Project was substantially completed; (b) that all other facilities necessary in connection with the Project have been acquired or are otherwise available to the Owner; (c) that the acquisition, construction, equipping, installation, and improvement of the Project and those other facilities have been accomplished in such a manner as to conform with all applicable zoning, planning, building, environmental, and other similar governmental regulations; (d) that except as provided in clause (e) below, all costs of that acquisition, construction, equipping, installation, and

improving then or theretofore due and payable have been paid; and (e) the amounts, if any, the Investor shall retain in the Project Account for the payment of costs not yet due or for liabilities that the Owner is contesting or which otherwise should be retained and the reasons such amounts should be retained. The Completion Certificate may state that it is given without prejudice to any rights against third parties that then exist or subsequently may come into being. The Completion Certificate shall be delivered as promptly as practicable after the occurrence of the events and conditions referred to in subsections (a) through (e) of this Section.

The Investor reserves the right to deny the request for a Project Advance pursuant to Article IV of this Agreement if such inspection reveals that construction is not proceeding with reasonable dispatch. If, in the Investor's opinion, after thirty (30) days' written notice to the Owner, the construction is not proceeding with reasonable dispatch, the Investor may (i) request that the Owner remove and replace the general contractor with a general contractor acceptable to the Investor, the failure of which by the Owner shall be a default under this Agreement, (ii) utilize funds to continue construction of the Project and such funds shall be considered Project Advances, or (iii) deny any Project Advance until such time as the construction resumes proceeding with reasonable dispatch.

Section 4.6. Repayment. The Parties acknowledge that pursuant to this Agreement, the Project Advance is expected to be repaid by the Special Assessments. The Parties agree that the Special Assessments have been levied and certified to the County Auditor in the amounts necessary to amortize the Project Advance, together with interest at the annual rate of 6.99%, and a semi-annual ESID Fee over 50 semi-annual payments to be collected beginning approximately on January 31, 2021 and continuing through approximately July 31, 2045. The Parties further acknowledge that in addition to the amount of the Special Assessments and other related interest, fees, and penalties, the County Auditor may charge and collect a County Auditor collection fee on each semi-annual installment of the Special Assessments in an amount to be calculated, charged, and collected by the County Auditor pursuant to Ohio Revised Code Section 727.36, which fee is in addition to the amount of the Special Assessments and other related interest, fees, and penalties. Interest shall accrue on the entire amount of the Project Advance from the Closing Date; provided, however, that a portion of the Project Advance may be used to pay interest accruing and due and payable on the Project Advance prior to the date on which the first installment of the Special Assessments is paid to the Investor by the City. The Owner agrees to pay, as and when due, all Special Assessments with respect to its Property. The Parties acknowledge and agree that, pursuant to the laws of the State, the Special Assessments to be collected by the County Treasurer which as of the relevant date are not yet due and payable never shall be accelerated, and the lien of the Special Assessments never shall exceed the amount of Special Assessments which, as of the relevant date, are due and payable but remain unpaid.

Section 4.7. Prepayment. The Owner may prepay the Project Advance by paying to the Investor, in full, in immediately available funds, the entire outstanding principal amount of the Project Advance, together with all accrued and unpaid interest on the Project Advance to the date of prepayment, and a prepayment premium based on the following schedule:

| | |
|-------------------------------------------------|----|
| Pre-payment within one year of the Closing Date | 5% |
|-------------------------------------------------|----|

| | |
|------------------------------------------------------------------------------------------------|----|
| Pre-payment after one year of the Closing Date but within two years of the Closing Date | 4% |
| Pre-payment after two years of the Closing Date but within three years of the Closing Date | 3% |
| Pre-payment after three years of the Closing Date but within four years of the Closing Date | 2% |
| Pre-payment after four years of the Closing Date but within nine years of the Closing Date | 1% |
| Pre-payment after nine years of the Closing Date | 0% |

In the event that any language in the Standing Assignment Agreement relating to prepayment of the outstanding principal amount of the Project Advance conflicts with the language set forth in this Section 4.7, the language in this Section 4.7 shall control.

Immediately upon any pre-payment pursuant to this Section 4.7, the Investor shall notify the City of the prepayment, and the Owner, the Investor, and the City shall cooperate to reduce the amount of Special Assessments to be collected by the County Auditor pursuant to Section 2.2(d) of this Agreement.

Section 4.8. Payment of Fees and Expenses. If an Event of Default on the part of the Owner should occur under this Agreement such that the ESID, the Investor, or the City should incur expenses, including attorneys’ fees, in connection with the enforcement of this Agreement or the collection of sums due under this Agreement, the Owner shall reimburse the ESID, the Investor, and the City, as applicable, for any reasonable out-of-pocket expenses so incurred upon demand. If any such expenses are not so reimbursed, the amount of such expenses, together with interest on such amount from the date of demand for payment at an annual rate equal to the maximum rate allowable by law, shall constitute indebtedness under this Agreement, and the ESID, the Investor, and the City, as applicable, shall be entitled to seek the recovery of those expenses in such action except as limited by law or by judicial order or decision entered in such proceedings.

Section 4.9. Further Assurances. Upon the request of the Investor or the City, the Owner shall take any actions and execute any further documents as the Investor or the City deems necessary or appropriate to carry out the purposes of this Agreement.

ARTICLE V: EVENTS OF DEFAULT AND REMEDIES

Section 5.1. Events of Default. If any of the following shall occur, such occurrence shall be an “Event of Default” under this Agreement:

- (a) The Owner shall fail to pay an installment of the Special Assessments when due, after taking into account all applicable extensions and notice and cure periods;
- (b) The City shall fail to transfer, or cause the transfer of, any of the Special Assessments and any Delinquency Amounts actually received by the City to the Investor within the time specified in this Agreement;

- (c) Any Party is in material breach of its representations or warranties under this Agreement; provided, however, that upon the material breach of a Party's representations or warranties under this Agreement, such Party shall have the right to cure such breach within fifteen days of the receipt of notice, and, if so cured, such breach shall not constitute an Event of Default;
- (d) The ESID, the Owner, or the City, shall fail to observe and perform any other agreement, term, or condition contained in this Agreement, and the continuation of such failure for a period of 30 days after written notice of such failure shall have been given to the ESID, the Owner, or the City, as applicable, by any other Party to this Agreement, or for such longer period to which the notifying Party may agree in writing; provided, however, that if the failure is other than the payment of money, and is of such nature that it can be corrected but not within the applicable period, that failure shall not constitute an Event of Default so long as the ESID, the Owner, or the City, as applicable, institutes curative action within the applicable period and diligently pursues that action to completion;
- (e) The Owner abandons its Property or its Project;
- (f) The Owner commits waste upon its Property or its Project;
- (g) The Owner becomes bankrupt or insolvent or files or has filed against it (and such action is not stayed or dismissed within 90 days) a petition in bankruptcy or for reorganization or arrangement or other relief under the bankruptcy laws or any similar state law or makes a general assignment for the benefit of creditors; or
- (h) Workmanship or materials constituting a portion of the Project or incorporated into the Project shall be materially defective and shall not be corrected within 30 days after notice.

The declaration of an Event of Default above, and the exercise of remedies upon any such declaration, shall be subject to any applicable limitations of federal bankruptcy law affecting or precluding that declaration or exercise during the pendency of or immediately following any bankruptcy, liquidation or reorganization proceedings.

Promptly upon any non-defaulting Party becoming aware that an Event of Default has occurred, such Party shall deliver notice of such Event of Default to each other Party under this Agreement in accordance with the notice procedures described in Section 6.5 of this Agreement.

Section 5.2. Remedies on Default. Whenever an Event of Default shall have happened and be subsisting beyond all applicable notice and cure periods, any one or more of the following remedial steps may be taken:

- (a) Upon an Event of Default described in Section 5.1(a) only, the Investor shall become entitled to receive any Delinquency Amounts actually received by the City.

- (b) The ESID, the Investor, and the City, together or separately, may pursue all remedies now or later existing at law or in equity to collect all amounts due and to become due under this Agreement or to enforce the performance and observance of any other obligation or agreement of any of the Parties, as applicable, under this Agreement, including enforcement under Ohio Revised Code Chapter 2731 of duties resulting from an office, trust, or station upon the ESID or the City, provided that, Parties may only pursue such remedies against the Party responsible for the particular Event of Default in question; provided, however, that the ESID, the Investor, and the City may not take any other action or exercise any remedy against the Property, the Project, or the Owner except to collect or remedy any outstanding damages or liability which shall have arisen due to the occurrence of an Event of Default.

- (c) Any Party may pursue any other remedy which it may have, whether at law, in equity, or otherwise, provided that, Parties may only pursue such remedies against the Party responsible for the particular Event of Default in question; provided, however, that the ESID, the Investor, and the City may not take any other action or exercise any remedy against the Property, the Project, or the Owner except to collect or remedy any outstanding damages or liability which shall have arisen due to the occurrence of an Event of Default.

Notwithstanding the foregoing, each of the ESID and the City shall not be obligated to take any step which in its opinion will or might cause it to expend time or money or otherwise incur liability unless and until the ESID or the City, as applicable, has been indemnified to its satisfaction; provided, however, any documented out-of-pocket expenses of the Investor pursuant to the foregoing constitute expenses payable by the Owner to the Investor in accordance with Section 4.8 of this Agreement.

Section 5.3. Foreclosure. Pursuant to Section 2.1 of the Special Assessment Agreement by and among the County Treasurer, the City, the ESID, the Investor and the Owner dated as of the Closing Date (the “Special Assessment Agreement”), the County Treasurer has agreed not to confirm the sale of the Property for an amount less than 100% of the amount of the Special Assessments and other general real estate taxes, payments in lieu of taxes, and assessments then due and owing with respect to the Property, as shall be certified by the ESID to the County Treasurer pursuant to the records of the County Treasurer without the consent of the ESID, the City, and the Investor. The ESID hereby agrees that in the event it is asked to provide its consent in accordance with Section 2.1, it will notify the Investor and the City of such request, and it will not provide its consent pursuant to Section 2.1 of the Special Assessment Agreement without the Investor’s and the City’s prior written direction.

Section 5.4. No Remedy Exclusive. No remedy conferred upon or reserved to the Parties by this Agreement is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Agreement, or now or later existing at law, in equity or by statute; provided, however, that the ESID, the Investor, and the City may not take any other action or exercise any remedy against the Property, the Project, or the Owner except to collect or remedy any outstanding damages or liability which shall have arisen due to the occurrence of an Event of

Default. No delay or omission to exercise any right or power accruing upon any default shall impair that right or power nor shall be construed to be a waiver, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Parties to exercise any remedy reserved to it in this Article, it shall not be necessary to give any notice, other than any notice required by law or for which express provision is made in this Agreement.

Section 5.5. No Waiver. No failure by a Party to insist upon the strict performance by the other Parties of any provision of this Agreement shall constitute a waiver of such Party's right to strict performance; and no express waiver shall be deemed to apply to any other existing or subsequent right to remedy the failure by the Parties to observe or comply with any provision of this Agreement.

Section 5.6. Notice of Default. Any Party to this Agreement shall notify every other Party to this Agreement immediately if it becomes aware of the occurrence of any Event of Default or of any fact, condition or event which, with the giving of notice or passage of time or both, would become an Event of Default.

ARTICLE VI: MISCELLANEOUS

Section 6.1. Owner Waivers. The Owner acknowledges that the process for the imposition of special assessments provides the owner of property subject to such special assessments with certain rights, including rights to: receive notices of proceedings; object to the imposition of the special assessments; claim damages; participate in hearings; take appeals from proceedings imposing special assessments; participate in and prosecute court proceedings, as well as other rights under law, including but not limited to those provided for or specified in the United States Constitution, the Ohio Constitution, Ohio Revised Code Chapter 727, the Charter of the City, and the resolutions or ordinances in effect in the City (collectively, "Assessment Rights"). The Owner irrevocably waives all Assessment Rights as to its Project and consents to the imposition of the Special Assessments as to its Project immediately or at such time as the ESID determines to be appropriate, and the Owner expressly requests the entities involved with the special assessment process to promptly proceed with the imposition of the Special Assessments upon its Property as to the Project. The Owner further waives in connection with the Project: any and all questions as to the constitutionality of the laws under which the Project will be constructed and the Special Assessments imposed upon the Property; the jurisdiction of the Council acting thereunder; and the right to file a claim for damages as provided in Ohio Revised Code Section 727.18, the Charter of the City, and any similar provision of the resolutions or ordinances in effect within the City.

Section 6.2. Term of Agreement. This Agreement shall be and remain in full force and effect from the date of execution and delivery until the payment in full of the entire aggregate amount of the Special Assessments shall have been made to the Investor, or such time as the Parties shall agree in writing to terminate this Agreement. Any attempted termination of this Agreement prior to the payment in full of the entire aggregate amount of the Special Assessments which is not in writing and signed by each of the Parties to this Agreement shall be null and void.

Section 6.3. Litigation Notice. Each Party shall give all other Parties prompt notice of any action, suit, or proceeding by or against the notifying Party, at law or in equity, or before any governmental instrumentality or agency, of which the notifying Party has notice and which, if adversely determined would impair materially the right or ability of the Parties to perform their obligations under this Agreement. The notifying Party's prompt notice shall be accompanied by its written statement setting forth the details of the action, suit, or proceeding and any responsive actions with respect to the action, suit, or proceeding taken or proposed to be taken by the Party.

Section 6.4. Indemnification. The Owner shall indemnify and hold harmless the ESID, the Investor, and the City (including any member, officer, director, or employee thereof) (collectively, the "Indemnified Parties") against any and all liabilities, obligations, claims, damages, penalties, causes of action, costs and expenses (including, without limitation, reasonable attorneys' fees and expenses) imposed upon, incurred by or asserted against an Indemnified Party arising or resulting from (i) Owner's financing, acquisition, construction, installation, operation, use or maintenance of the Project, (ii) any act, failure to act or misrepresentation solely by the Owner in connection with, or in the performance of any obligation on the Owner's part to be performed under this Agreement or related to the Special Assessments resulting in material actual damages, or (iii) (a) a past, present or future violation or alleged violation of any environmental laws in connection with the Property by any person or other source, whether related or unrelated to the Owner, (b) any presence of any hazardous, toxic or harmful substances, materials, wastes, pollutants or contaminants defined as such in or regulated under any environmental law ("Materials of Environmental Concern") in, on, within, above, under, near, affecting or emanating from the Property, (c) the failure to timely perform any investigation, inspection, site monitoring, containment, clean-up, removal, response, corrective action, mitigation, restoration or other remedial work of any kind or nature because of, or in connection with, the current or future presence, suspected presence, Release (as defined below) or threatened Release in or about the air, soil, ground water, surface water or soil vapor at, on, about, under or within all or any portion of the Property of any Materials of Environmental Concern, including any action to comply with any applicable environmental laws or directives of any governmental authority with regard to any environmental laws, (d) any past, present or future activity by any person or other source, whether related or unrelated to the Owner in connection with any actual, proposed or threatened use, treatment, storage, holding, existence, disposition or other release, generation, production, manufacturing, processing, refining, control, management, abatement, removal, handling, transfer or transportation to or from the Property of any Materials of Environmental Concern at any time located in, under, on, above or affecting the Property, (e) any past, present or future actual generation, treatment, use, storage, transportation, manufacture, refinement, handling, production, removal, remediation, disposal, presence or migration of Materials of Environmental Concern on, about, under or within all or any portion of the Property (a "Release") (whether intentional or unintentional, direct or indirect, foreseeable or unforeseeable) to, from, on, within, in, under, near or affecting the Property by any person or other source, whether related or unrelated to the Owner, (f) the imposition, recording or filing or the threatened imposition, recording or filing of any lien on the Property with regard to, or as a result of, any Materials of Environmental Concern or pursuant to any environmental law, or (g) any misrepresentation or failure to perform any obligations related to environmental matters in any way pursuant to any documents related to the Special Assessments.

In the event any action or proceeding is brought against any Indemnified Party by reason of any such claim, such Indemnified Party will promptly give written notice thereof to the Owner. The Owner shall be entitled to participate at its own expense in the defense or, if it so elects, to assume at its own expense the defense of such claim, suit, action or proceeding, in which event such defense shall be conducted by counsel chosen by the Owner; but if the Owner shall elect not to assume such defense, it shall reimburse such Indemnified Party for the reasonable fees and expenses of any counsel retained by such Indemnified Party. If at any time the Indemnified Party becomes dissatisfied, in its reasonable discretion, with the selection of counsel by the Owner, a new mutually agreeable counsel shall be retained at the expense of the Owner. Each Indemnified Party agrees that the Owner shall have the sole right to compromise, settle or conclude any claim, suit, action or proceeding against any of the Indemnified Parties. None of the Investor, the City, or the ESID assumes any obligation to the Owner or any other Person concerning contractors, the quality of construction of the Project or the absence of defects from the construction of the Project. The making of a Project Advance by the Investor shall not constitute the Investor's approval or acceptance of the construction theretofore completed. The Investor's inspection and approval of the budget, the construction work, the improvements, or the workmanship and materials used in the improvements, shall impose no liability of any kind on the Investor, the sole obligation of the Investor as the result of such inspection and approval being to make the Project Advances if, and to the extent, required by this Agreement. Any disbursement made by the Investor without the Investor having received each of the items to which it is entitled under this Agreement shall not constitute breach or modification of this Agreement, nor shall any written amendment to this Agreement be required as a result.

The Parties, by notice given under this Agreement to the others, may designate any further or different addresses to which subsequent notices, certificates, requests or other communications shall be sent.

The Parties acknowledge and agree that the Assignment and Assumption of Energy Project Cooperative Agreement includes the assignment and assumption of the Special Assessment Agreement and the Owner Consent. Following any assignment by the Owner as described above, all obligations of the Owner contained in or arising out of this Agreement, the Special Assessment Agreement, and the Owner Consent shall be obligations of the assignee, and the assigning Owner shall be released of its obligations to a corresponding extent.

Notwithstanding anything in this Agreement to the contrary, the Investor shall have the unrestricted right at any time or from time to time, and without the Owner’s consent, to assign all or any portion of its rights and obligations under this Agreement, and may sell or assign any and all liens received directly or indirectly from the City to any Person (each, an “Investor Assignee”), and the Owner agrees that it shall execute, or cause to be executed, such documents, including without limitation, amendments to this Agreement and to any other documents, instruments and agreements executed in connection with this Agreement as the Investor shall deem necessary to effect the foregoing so long as such amendment does not materially adversely impact the Owner’s rights and obligations under this Agreement. Any Investor Assignee shall be a party to this Agreement and shall have all of the rights and obligations of the Investor under

this Agreement (and under any and all other guaranties, documents, instruments and agreements executed in connection with this Agreement) to the extent that such rights and obligations have been assigned by the Investor pursuant to the assignment documentation between the Investor and such Investor Assignee, and the Investor shall be released from its obligations under this Agreement and under any and all other guaranties, documents, instruments and agreements executed in connection with this Agreement to a corresponding extent. If, at any time, the Investor assigns any of the rights and obligations of the Investor under this Agreement (and under any and all other guaranties, documents, instruments and agreements executed in connection with this Agreement) to an Investor Assignee, the Investor shall (i) give prompt notice of such assignment to the other Parties; and (ii) pay all legal fees and expenses of PACE Counsel associated with legal services performed to facilitate such assignment upon receipt of an invoice from PACE Counsel. In addition, the Investor shall have the unrestricted right at any time and from time to time, and without the consent of or notice of the Owner, to grant to one or more Persons (each, a "Participant") participating interests in Investor's obligation to make Project Advances under this Agreement or to any or all of the loans held by Investor under this Agreement. In the event of any such grant by the Investor of a participating interest to a Participant, whether or not upon notice to the Owner, the Investor shall remain responsible for the performance of its obligations under this Agreement, and the Owner shall continue to deal solely and directly with the Investor in connection with the Investor's rights and obligations under this Agreement. The Owner agrees that the Investor may furnish any information concerning the Owner in its possession from time to time to prospective Investor Assignees and Participants.

This Agreement may be enforced only by the Parties, their permitted assignees, and others, who may, by law, stand in their respective places.

Any Party shall at any time and from time to time, upon not less than thirty (30) days' prior written notice by the other party, execute, acknowledge and deliver to such party a statement in writing certifying that: (i) this Agreement is unmodified and in full force and effect (or, if there has been any modification of this Agreement, that the same is in full force and effect as modified and stating the modification or modifications); (ii) to the best of such Party's actual knowledge (without any duty of inquiry) there are no continuing Events of Default (or, if there is a continuing Event of Default, stating the nature and extent of such Event of Default); (iii) that, to the best of such Party's actual knowledge (without any duty of inquiry) there are no outstanding damages or liability arising from an Event of Default (or, if there is any outstanding damages or liability, stating the nature and extent of such damages or liability); (iv) if such certificate is being delivered by the Owner, the dates to which the Special Assessments have been paid; and (v) if such certificate is being delivered by the Investor, the dates to which the Special Assessments have been paid to the Investor. It is expressly understood and agreed that any such certificate delivered pursuant to this Section 6.7 may be relied upon by any prospective assignee of the Owner or any prospective Investor Assignee.

Section 6.8. Amendments and Supplements. For purposes of this Section, a materially affected Party is a Party with respect to which a material right or obligation under this Agreement is proposed to be amended, changed, modified, altered, or terminated. Any attempt to amend, change, modify, alter, or terminate this Agreement except by unanimous written agreement signed by all of the materially affected Parties or as otherwise provided in this Agreement shall be void.

Section 6.9. Execution Counterparts. This Agreement may be executed in counterpart and in any number of counterparts, each of which shall be regarded as an original and all of which together shall constitute but one and the same instrument.

Section 6.10. Severability. If any provision of this Agreement, or any covenant, obligation, or agreement contained in this Agreement is determined by a court to be invalid or unenforceable, that determination shall not affect any other provision, covenant, obligation, or agreement, each of which shall be construed and enforced as if the invalid or unenforceable portion were not contained in this Agreement. That invalidity or unenforceability shall not affect any valid and enforceable application of the provision, covenant, obligation, or agreement, and each such provision, covenant, obligation or agreement shall be deemed to be effective, operative, made, entered into, or taken in the manner and to the full extent permitted by law.

Section 6.11. Governing Law. This Agreement shall be deemed to be a contract made under the laws of the State and for all purposes shall be governed by and construed in accordance with the laws of the State.
