BIL/IRA Discretionary Grant Awards Per Capita

Major federal fiscal stimulus responses as % GDP

Federal Government Affairs Services

Proposed Budget: \$77,000

Goals:

- Maximize the City's ability to secure competitive federal funding through strategic, sustained advocacy
- Pursue a broader range of funding sources while strengthening ongoing discretionary grant and earmark efforts
- Align City lobbying efforts with a broader regional federal advocacy strategy

Here's who secured the most earmarks for Ohio in the 2024 federal budget

Among House members, Rep. Mike Turner, R-Ohio, secured the most at \$44.8 million, followed by Rep. Dave Joyce at \$43.8 million. Joyce has long supported earmarks, also known as congressionally directed spending.

Federal Government Affairs Services

Proposed Budget: \$77,000

“Regional Alliance” Approach

(Smith, Dawson & Andrews)
