

## **DPS 2021 SBH Matches and Planning \$500,000**

- SBH in in charge of the improvement and replacement of bridges and levees throughout the City of Toledo
- Recent grants leveraged by this fund have been \$1.7M for Marengo Street Bridge and \$2M for Secor over Ottawa Bridge
- This current amount will continue to help pay for design, testing, environmental, and construction costs of bridge and levee projects which have grants or loans associated with them, or are seeking grants or loans
