City of Toledo

Dear Mayor,

This letter is to recommend Don Turner with Turner Electric Company to be reappointed for another term on the Toledo Electrical Board of Controls. Mr. Turner currently serves on the Board and is very knowledgeable on everything the Board of Controls is responsible for. He has served the electrical industry tirelessly over the past 27 years during my time as Chapter Manager at NECA. Enclosed is his resume for your consideration. Please do not hesitate to call me if you have any questions.

Ken Fischer notified us at our last Board of Controls meeting that Mr. Turner's term is coming to completion and asked Mr. Turner if he was interested in serving another term. Mr. Turner stated he would serve again, and it was agreed that I would send in this letter of recommendation.

Sincerely,

Todd Michaelsen
