Subject: Toledo Municipal Code 187.19 Notification

Pursuant to Toledo Municipal Code Chapter 187.19, this is a written notification to Toledo City Council of the Administration’s intent to bring forth legislation within the next 30 days to sell a city-owned parcel zoned Parks and Open Space (“POS”).

The subject property is located at 1936 Northover Road (Parcel ID 22-03411) and is commonly known as Jackman School Park. The School District will improve the property with outdoor learning areas, walking paths, nature trails, a retention pond and a deceleration lane on Northover Road. As part of the School District’s plan to build new schools, Jackman Elementary will be demolished and replaced with a new building. Acquisition of the City’s parcel is integral to the School District’s plan for an expanded campus that provides environmental education and encourages appreciation of nature.
