RE: SUP-5003-19 – 3132 Secor Road

Dear Councilman Melden:

Please accept this letter as my request for an extension of the SUP referenced above for the property commonly known as 3150-70 W. Central Avenue for an additional six (6) months as provided in the original City Council approval. This will give us sufficient time to complete the project as planned and put the facility in operation.

Thank you for all your efforts on this matter to date.

Sincerely,
