Applicable Plans and Regulations

- Toledo Municipal Code Part Eleven: Planning and Zoning
- Toledo 20/20 Comprehensive Plan
- Uptown Master Plan

**STAFF ANALYSIS**

The applicant is requesting a zone change from IL Limited Industrial to CM Mixed Commercial. The ± 1.2 Acres site is composed of ten (10) parcels, the majority of which are vacant. At the time of the publication of this report, a former multi-family building on the site is in the process of being demolished. To the north of the site is a warehouse, to the east is an office and bank, to the south is open space as well as offices and commercial uses, and to the west is an office and community gardens. The applicant plans to redevelop the block along 13<sup>th</sup> St and 14<sup>th</sup> St with attached houses. Attached houses are not permitted in IL Limited Industrial and therefore the zoning district must be changed to facilitate residential redevelopment.

Future development of the block shall be subject to UpTown UNO review, Downtown Overlay District Review, and Site Plan Review.

**STAFF ANALYSIS (cont'd)**

Uptown Master Plan

The Uptown Master Plan, adopted in 2019, recommends significant housing around and near UpTown Green. The site of the proposed rezoning is approximately four (4) blocks from UpTown Green. The plan presents a possible build-out scenario of 4,500 square feet of residential development. The proposed zone change aligns with the goals of the Uptown Master Plan.

Toledo 20/20 Comprehensive Plan

The Toledo 20/20 Comprehensive Plan targets the site for Downtown Commercial Land Use. The Downtown Commercial designation is intended to accommodate a broad range of uses to reflect downtown's role as a commercial, governmental, cultural, and entertainment center. Land uses are intended to be intense with high building coverage, large buildings, and buildings placed close together. It also accommodates mixed-use pedestrian oriented development. The proposed zone change conforms to the Toledo 20/20 Comprehensive Plan.

**PLAN COMMISSION RECOMMENDATION**

The Toledo City Plan Commission recommends approval of Z-3003-22, a request for Zone Change from IL Limited Industrial to CM Mixed Commercial at 13<sup>th</sup> & 14<sup>th</sup> St to Toledo City Council for the following **two (2) reasons**:

1. The rezoning is consistent with the Comprehensive Plan and the stated purpose of the Zoning Code (**TMC§1111.0606(A)**);
2. The rezoning is compatible with the existing land uses within the general vicinity of the subject property (**TMC§111.0606(B)**).

Respectfully Submitted,

Thomas C. Gibbons
