Ohio Revised Code Sections 5709.40, 5709.42 and 5709.43 provide City Council with the authority to dedicate real estate tax proceeds on specific parcels towards infrastructure improvements in the vicinity of

those parcels. In 2004, to improve safety conditions and reduce hazards to vehicular traffic associated with the expansion of the Westfield Mall and Westgate Shopping Center, City Council passed Ordinance 810-04 enabling tax proceeds from properties in these areas to be dedicated to infrastructure improvements in their respective vicinities.

This ordinance authorizes appropriation and expenditure for the construction of roadway improvement projects as follows:

A roadway resurfacing project for Laskey Road from Harvest to Secor and a safety improvement project at the intersection of Laskey and Talmadge.
